North Logan City laws I need to know

Curfews	The county-wide curfew for all minors (under 18) is Sunday through Thursday, 10:30 p.m. to 5:00 a.m. plus Friday and Saturday, midnight to 5:00 a.m.
Hunting Within City Limits	Discharging firearms within the city limits is only allowed during the upland game hunt and only on the east foothills, east of the large power lines at about 2000 East.
Weed Control	Property owners are responsible for controlling noxious and nuisance weeds on their property. This is very important, especially to our citizens engaged in agriculture. A brochure to help you identify problem weeds is available at the City office.
Home Occupations	North Logan encourages home occupations, especially when there is minimal impact to your neighbors. See the City Treasurer for more information.
Apartments In Homes	We have a strict ordinance regarding more than one family in a single-family residence. The city has an "Info-Sheet" on this subject for more information.
Animal Rights	The keeping of farm animals is permitted throughout the city. A minimum of $\frac{3}{4}$ of an acre is required for large animals such as a horse or cow. The number of animals allowed depends on the type of animal and size of the property. They must not be a "nuisance" to your neighbors.
Snow Removal	Residents are to keep sidewalks clear of snow and maintain access to their mailbox. To help ensure snowplows can remove snow from our streets, parking on the street is not permitted between the hours of 1:00 a.m. and 5:00 a.m. from November 15 th , through March 1 st .
Dogs and Cats	All dogs and cats must be licensed and are not allowed to run free. No more than two dogs or four cats are permitted without a kennel license (only allowed in the Residential Estate Zones).
Burning	Contact the Fire Department (994-1530) for a burn permit before burning except for cooking/recreation fires.
Speed Limits	Unless otherwise posted, the speed limit throughout North Logan is 25 mph.
Signs and Handbills	No signs may be placed on city "right-of-way" including utility poles. Handbills may be handed directly to occupants or secured at peoples' homes so there is no chance of the handbill blowing away. Handbills may not be placed in mailboxes or on vehicles.
