MAYOR'S MESSAGE

I hope your Holiday Season is going great. It is a special time of year when family traditions and seasonal celebrations abound. I wish to express my appreciation for this time of year, for family, friends and our community as a whole. I also wish for peace to prosper and kindnesses extended to all of you.

Since this will be my last opportunity to write the Mayors message, I wanted to share a few thoughts and reflections looking back over the years as a member of the city council and as your Mayor. Because of the goodness of the community as a whole and also the many who have served in volunteer organizations, elected positions and those employed by the City, we have much to be proud of and grateful for. I would like to recognize a few of these individuals.

For example, each Memorial Day, while we honor those who have served and even given the ultimate sacrifice, I am also reminded of those whose efforts brought forth this sacred sanctuary. Nancy Potter's leadership and energy was central and critical to this effort. She and others sought to preserve an area in North Logan where families could reverence loved ones who have passed on. Individuals like Nancy have been instrumental in giving to our community

Another group of amazing individuals who have brought a timeless tradition to North Logan are all of the volunteers spending countless hours on behalf of our pumpkin walk. Ida and Wallace Butler used their creative genius for what is now a part of North Logan's identity. How grateful I am to them. We know there are those who travel great distances in order to partake of the seasonal settings celebrating the many diverse themes that are staged.

The North Logan Library is a gem in our community. The creative learning environment that it provides, the employees who have helped nurture the vision, and the patrons who use it. It is important to recognize the commitment this city has made in monetary support along with the Thorne Endowment and the generous contributions given by Dell Loy Hansen. In addition to this, the RSL Training Center now compliments a new high school and the Eccles Ice Center. His commitment to his hometown will now allow us to host many City activities and events in the future.

There are many unsung heroes in our city who have dedicated their lives and everyday effort for the betterment of all who live within the walls of North Logan. I celebrate the employees who work hard and are committed to making this the best place to call home. Bob Wilhelm, through his 37 years of service has been key to knowing the underground workings of our city. There is no GIS or mapping system that compares to Bob's intellect and knowledge. Things that are not seen are sometimes taken for granted. Bob and others have committed lengthy careers for the betterment of all who live here.

I can't go without mentioning Jon Keller. It has been amazing to watch him tirelessly build the capabilities of our Fire Department with volunteer, credentialed professionals. As Mayor, I have had the opportunity to receive emergency notices for EMT, Fire and Police. The medical calls and emergency responses can consume them and yet they continue to treat each event with expeditious care and immediacy.

Then there are those whose lives are continuously interrupted whenever there is a snowstorm blanketing our roads. The faithful few who plow and keep our roads safe and reliable are to be thanked. Just like our fire and police, they have been known to respond on a Christmas morning or other important family celebrations.

I am hopeful that we will always value the great history of our community and the institutional knowledge of those who have sacrificed so much on our behalf. Thank you to the Younkers, Souliers and others on our historical committee for keeping these memories alive. I cherish the opportunity that I had to meet with Leo Krebs a number of times prior to his passing. He talked about the men and women who master planned the canals and dug them by hand in-order to bring the lifeblood of

MAYOR'S MESSAGE CONT..

water to North Logan. Our remembrance of lessons learned, our history and the sacrifices of others are critical in guiding our future.

Lastly, in a day when there is so much hostile and volatile reaction to differences, I am thankful for a community that can be respectful and tolerant of different perspectives. This gives us balance in our understanding and makes us wiser when we take action. Thank you for allowing me to serve as your Mayor over the past 8 years. I cherish this community and the people within!

I wish you Happy Holidays and a Wonderful New Year,

-Mayor Lloyd Berentzen

STORMWATER

More on Illicit Discharge...

What is an illicit discharge? Stormwater regulations define an "illicit discharge" as "any discharge to a municipal separate storm sewer that is not composed entirely of stormwater."

Basically, only rain water and snow melt are allowed in the City's storm drain system.

Examples of an illicit discharge:

-The sewage line from a house or business is incorrectly connected to the storm system

-There is a cross-connection between the sewer line and storm drainage system. This can be from an old connection that was never plugged or the plug has deteriorated, or it can be caused by filtration from leaking or cracked pipes

-Improper disposal of auto and household toxics

-Laundry or car wash discharge flows or is directly connected to the storm sewer system

-Animal waste

-Wastes from carpet cleaning, pressure washers

-Sediment and pollutants from construction sites

-Hosing down roads and sidewalks

Please report any illicit discharges to the City offices at 435-752-1310.

STREETS

No Early AM Parking on Streets after Nov. 15th!

We would like to remind everyone that starting **November 15th**, the winter parking ordinance (11-604) went into effect. This means vehicles/trailers/dumpsters/RV's, etc., cannot be parked on city streets, curbs and shoulders between **1:00 am - 5:00 am** on any day. Please let your family and friends know, as well as your renters if you have them, as citations will be issued during these hours. Do not put your garbage/recycling out the night before if it looks like there will be snow during the night. During other hours, if it is snowing, or beginning to snow, we would appreciate you not parking on the streets so that our snow plows can keep your roads clean and safe for you and your family. Thank you.

Police & Streets Department

PUBLIC SAFETY

As we find ourselves in the winter season I wanted to remind home owners of the responsibility they have of removing snow from sidewalks. This helps with pedestrian travel, especially children walking to and from school. The North Logan City ordinance reads:

11-309 Removal Of Snow

A. It shall be unlawful for the owner, occupant, lessor, or agent of any property, abutting on a paved sidewalk to fail to remove, or have removed from such paved sidewalk, all hail, snow, or sleet thereon within a reasonable time after such snow, hail, or sleet has fallen. In the case of a storm between the hours of 5 p.m. and 6 a.m. such sidewalks shall be cleaned before 9 a.m. of the same day.

It shall be unlawful for any person removing snow from the sidewalk, to deposit snow, dirt, leaves, or any other material in the gutter so as to clog or prevent the free flow of water therein.

Please help keep your neighbors and school children safe by keeping your sidewalks clear from snow. Have a Safe and Happy New Year.

ECONOMIC DEVELOPMENT

2017 was a great year for businesses here in North Logan. Many new businesses have joined us, and current businesses have expanded. As part of North Logan's goals to be the economic hub of Cache Valley, we will begin a year-long radio ad campaign to promote the city's businesses and educate the valley about all that North Logan has to offer. If you have knowledge of North Logan History/facts, contact North Logan City Economic Development with ideas.

We are happy to welcome our newest restaurant to North Logan – Aggie Sushi! It is located on 1600 North 141 East. It has great prices on high quality sushi, and we are excited to have them in the community.
