MAYOR'S MESSAGE

As I have watched the Olympics and celebrated the pursuit of excellence this winter, I am reminded of the mark the 2002 Olympics left on our city — the Eccles Ice Arena. I remember waiting in line alongside a crowd of members of our community in excited anticipation to secure tickets for figure skating and short track practices held in our very own ice arena.

Being part of the Olympic experience in Cache Valley with the privilege of watching the athletes practice right here in North Logan felt like a once in a lifetime experience for our community. I love the Olympics. I love the stories of sacrifice and dedication, the agony of defeat, and the thrill of victory.

I commend our community and city staff for the many ways we strive to make North Logan a place of excellence. I see this as residents seek education, show compassion, and volunteer in countless ways. Thanks for the role each of us play in creating a sense of community in North Logan. Warm regards,

-Kristen Anderson
North Logan City Council

MISCELLANEOUS

STORMWATER

STORM AND WINTER RUNOFF - INVITATION TO "ADOPT A DRAINAGE GRATE" NEAR YOU

Our staff are busy checking the drainage grates in the City. However, it is difficult to know if every grate is free from debris every day. Curb and gutters should be free from dirt, rocks and debris so that the run-off can get to the drains. Please help us keep the drains clean. If you experience flooding the city has empty sandbags and sand available 24/7 at the City Shops located at 1150 East 1650 North on the far west side of the building.

*A special **THANK YOU** to all those who have adopted Storm Water Features at their properties as well as keeping drains and hydrants clear of snow.*

STREETS

Please be aware of all the snow plows that are coming and going down the streets. If you can give them room please do. Also please make note that just because a truck has a plow attached, DOES NOT mean it belongs to the City. North Logan plows will be clearly marked with our logo.

North Logan City strives to clear our streets as efficiently as possible. Please, let us know how we can improve. You can reach us at joe@northlogancity.org.

PUBLIC SAFETY

As we find ourselves in this unusually dry winter season I wanted to remind home owners of the responsibility they have of removing any potential snow from sidewalks. This helps with pedestrian travel, especially children walking to and from school. The North Logan City ordinance reads:

11-309 Removal Of Snow

A. It shall be unlawful for the owner, occupant, lessor, or agent of any property, abutting on a paved sidewalk to fail to remove, or have removed from such paved sidewalk, all hail, snow, or sleet thereon within a reasonable time after such snow, hail, or sleet has fallen. In the case of a storm between the hours of 5 p.m. and 6 a.m. such sidewalks shall be cleaned before 9 a.m. of the same day.

It shall be unlawful for any person removing snow from the sidewalk, to deposit snow, dirt, leaves, or any other material in the gutter so as to clog or prevent the free flow of water therein.

Please help keep your neighbors and school children safe by keeping your sidewalks clear from snow. Please also keep fire hydrants clear of snow or any other debris within a 3 foot. radius. A few minutes of digging out a **fire hydrant** may make the difference between minor damage or a complete disaster for you or your neighbor if a fire occurs.

Have a safe and happy winter season.

-Chief Hawkes

NL YOUTH COUNCIL

This month, the Youth Council toured the police station. We got to ask questions and learn about the job of a police officer. Officer Jardine did a great job of explaining what police officers do and touring us around the station. I think this allowed us all to have a greater appreciation for the service they provide our city.
