

NORTH PARK POLICE DEPARTMENT

ULYSSES BLACK
CHIEF OF POLICE

North Park Police Department will be taking necessary precautions to reduce the risk of spreading the **COVID-19** (Corona Virus). We will be limiting our interaction with the public and are asking the community to contact the department by phone or our website when possible to handle your needs. Our staff and officers will make every reasonable effort to solve your needs by phone or through our website. While taking these precautions, this will not limit our officer's response to our citizen's needs or concerns. If you need to report an incident or talk with an officer please contact Dispatch on their Non-Emergency line at 435-753-7555.

We appreciate your patience and understanding during this time. Normal operations will resume when the restrictions have been lifted by state and federal leadership. When possible we will update you with any changes we become aware of.
