### **MAYOR'S MESSAGE**

As the school year winds down, we look forward to summer in North Logan. There is so much to enjoy in the city this time of year. Some in our community will look for adventure around the country and around the world, but there are a variety of exciting opportunities here in our city for summer fun. One great place to look for adventure is at the North Logan Library. The summer reading kickoff is an event not to be missed--this year it will be June 7 at the library. But you don't have to wait until then to get in on the fun. The library offers story time for young ones, and adult book club and a wide range of activities for teens year-round. If you are hitting the road this summer, a North Logan Library card allows you access to thousands of audiobooks that you can download to a smartphone or tablet to take with you. Stop by the circulation desk or visit [northloganlibrary.org](http://northloganlibrary.org) to find out more about these opportunities.

North Logan's Parks & Recreation department also offers a range of fun opportunities. King Nature Park offers a fishing pond and hiking trails as well as serving as the gateway to world-class hiking and mountain biking in Green Canyon. This year we'll have splash pads operating in both Elk Ridge Park and Meadow View Park, along with multi-use fields and pavilions for sports and for gatherings. Check out <http://northloganrec.org> for details on other activities through Parks & Recreation

We are fortunate to live in a community that has so much to offer in terms of natural beauty and community opportunities. I hope this summer that you have an opportunity to enjoy some of the magnificent things our city has to offer.

North Logan City Council

### **GOVERNMENT MEETINGS**

During the month of May the City Council will actually meet three times rather than just two. They will meet as they normally meet on the first Wednesday, May 3<sup>rd</sup> and the third Wednesday, May 17<sup>th</sup>. The normal meeting for the first week in June has been moved up a week into May so the council will also meet on the 5<sup>th</sup> Wednesday - May 31<sup>st</sup>. Council meetings start at 6:30 pm and are held in the meeting room at the North Logan Library.

During all three May meetings the council will continue the process to develop the FY2018 municipal budget with presentations on budget proposals from department heads and various city agencies. During the May 3<sup>rd</sup> meeting they will be reviewing the Fire Departments' budget and the budget for the Redevelopment Agency. During the May 17<sup>th</sup> meeting they will discuss the Library and Police Agency budgets. Public hearings on the budget will be held during the meeting on the 31<sup>st</sup>.

During the May meetings the Council also plans to continue work on variety of open issues including possible changes to the City Center zoning regulations, other inter-local and development agreements, plus miscellaneous ordinance changes.

The official council agendas as they are posted at the city office and on the State of Utah Public Notice Website at <http://www.utah.gov/pmn/index.html>. The Herald Journal is given a copy of the official agenda as well and they normally print it in the newspaper a day or two before the meeting.

## MISCELLANEOUS

### UTILITIES

**Please make sure your water meter lid is uncovered and free from any of the following**, railroad ties, flow-er boxes, sprinkler boxes, dirt, grass or any obstacle. Trim back bushes and plants around the meter. Our meter readers are trying to get an accurate reading, and they are also looking for any problems in the meter barrel. This saves you money as well.

Just a reminder, please **don't open the water meter lids** to check your reading or turn off your water. There are radios and wires that can easily be broken. If you need your water service turned off, please contact us at 782-1310 ext. 11 or 10.

Every year we have commercial trucks pull up to our Hydrants and steal water. Some even break the hydrant, making it unavailable to the houses in your neighborhood in an emergency. It is with the help of our citizens that we can get a handle on this. The city does issue special permits to companies that are authorized to use some hydrants. If you see someone using the water at a hydrant in North Logan, please call Peggy at 752-1310 ext 11, to verify if they have a permit or catch those who do not.

### EMERGENCY PREP

If you're interested in being a block captain and helping with Emergency Response within our city, let us know! Please email Alan Luce at [alan@northlogancity.org](mailto:alan@northlogancity.org). North Logan City has a mass communication system for emergency situations. This system is also used for construction updates and recreation announcements. If you are not receiving these notifications, please contact our office at 435-752-1310 ext 10, or email us at [receptionist@northlogancity.org](mailto:receptionist@northlogancity.org)

### STREETS

#### On-site Use of Storm Water

On-site retention of storm water is intended to increase the infiltration, retention, or detention of storm water, resulting in an overall reduction in the volume of water leaving a property. Controlling and reducing the amount of runoff from a site can reduce the risk of flooding as well as reduce the size and extent of drainage infrastructure.

**A special THANK YOU to all those who have adopted Storm Water Features at their properties!**

### PUBLIC SAFETY

In 1962, Pres. Kennedy proclaimed May15 as National Peace Officers Memorial Day and the calendar week of May15 falls, as National Police Week. National Police Week pays special recognition to law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

At the State Capital in SLC, you will find the Utah Law Enforcement Memorial. On May 4, 2017, West Valley Officer Cody Brotherson and UHP Trooper Eric Ellsworth, the named will be added to the memorial wall as the 140 and 141 Utah Officers to be killed in the line of duty.

There are five Officers on that wall from our valley:

- \*1929 Officer Willard Dahle - Logan City Police Department
- \*1959 Deputy Alma Sorenson -Cache County Sheriff's Office
- \*1959 Officer Edwin Edwards - Logan City Police Department
- \*1974 Lt. James Merrill - Cache County Sheriff's Office
- \*1984 Deputy Charles Dickey Jr - Cache County Sheriff's Office

May 14-20 you will notice 141 U.S. Flags lining the entryway to the North Park Police Department, 575 E 2500 N. Each Flag is a memorial to the officers of this state who have given their all. I would encourage you to visit the memorial on Capitol Hill the next time you are visiting SLC. The Members of the North Park Police Department are proud to serve you and dedicate ourselves to our motto of Respect, Integrity, Courage and Honor.

-Chief Hawkes

### SECONDARY WATER USERS

Its spring time again in our great city. Irrigation systems installed using culinary water need a backflow assembly. For those of you that have a secondary water source and use it in conjunction with culinary water for irrigation there is a need for a back-flow device also. These devices are used to keep canal water from contaminating the city culinary water. The device is not a fool proof unit and may fail. This is why it needs to be tested yearly by a certified back-flow technician. For a tester go to [Utah.gov](http://Utah.gov) then type in backflow tester in space provided this brings up a list to choose from. Make this a part of your spring to-do list test backflow device. Please do your part and keep our water safe.

## YOUTH CITY COUNCIL

This month, the North Logan Youth Council had the privilege of helping the city prepare for its annual Easter egg hunt. We helped a local Eagle Scout project fill over 7,000 Easter eggs with candy, discounts to local restaurants, and other goodies. On the 15th, we filled our pockets with as many Easter eggs as we could carry and scattered them all across Elk Ridge Park.

If anyone would like to join the Youth Council, applications are available at the North Logan City Offices.

- Mitchell Nelson, Co-Mayor.
