

# YOUR CHANCE TO MEET THE CANDIDATES

**TUESDAY, October 1st, 2019**

**6:30pm to 8:30pm.**

**North Logan City Library**

**475 East 2500 North**

**Speak to your  
Mayoral and City Council candidates.  
Ask questions important to you!**

**Submit your candidate questions to:  
[recorder@northlogancity.org](mailto:recorder@northlogancity.org)**

## **MAYORAL CANDIDATE:**

**DAMON CANN**

**[damon@northlogancity.org](mailto:damon@northlogancity.org)**

I am grateful for the opportunity to have served as your Mayor over the last several months. Serving in this capacity has given me a chance to get to know more of our community and to pursue some positive objectives for the city.

If given the opportunity to continue to serve, I'll continue to give my best for the citizens of North Logan. I will offer a listening ear and a sincere effort to work through challenges as they arise, whether the issue is big or small.

Working collaboratively with the City Council, I will strive to maintain the high quality of life we enjoy in our community, while wrestling with issues and challenges that will undoubtedly arise in the years ahead.

## **CITY COUNCIL CANDIDATE:**

**ROGER T. ANDERSON**

**[roger@northlogancity.org](mailto:roger@northlogancity.org)**

My name is Roger Anderson. I have loved making North Logan my home for the past 35 years. I am the lucky father of six children and am married to my wonderful wife, Tirzah.

I am grateful for the opportunity to serve as a member of the City Council for the past 8 years. My time on the council has given me a wealth of experience. It has been a privilege being part of decision-making on behalf of our great citizens. As a councilman, I have done my best to follow our city's laws and policies and consider them first in my decisions. I have truly tried to approach every issue with an open mind.

I welcome opposing viewpoints and find great value in differences of opinion. I appreciate citizens who have shared questions or concerns with me and have carefully considered their insights. One strength I bring to the current council is real-world business experience. This has helped balance decision-making and strengthen city policy, particularly in human resources and city employment. In my decision making, I have been fiscally responsible and have done my best to stretch the limited tax dollars the city has. My desire is to continue to serve the residents of North Logan for the next four years.

# 2019 Meet The Candidates

(continued)

## CITY COUNCIL CANDIDATE:

**SARAH BACA**

**[sarah@northlogancity.org](mailto:sarah@northlogancity.org)**

My name is Sarah Baca and I am a resident of beautiful North Logan City, where I am running for City Council. My family and I moved here a year and a half ago and have loved getting to know the community where I am hoping to serve.

I grew up in Evanston, Wyoming where my dad served on the City Council for several terms. There I was able to see firsthand how community involvement could be so beneficial. At the age of 16 I was appointed to and served the U.S. House of Representatives in Washington D.C. as a Page for the 106th Congress. Since then I graduated from Weber State University with a B.S. in Political Science and Psychology and currently I work as a Youth Counselor at Uinta Academy.

I am running for North Logan City Council because I want to represent our community. Here I see a diverse area with a multitude of opportunities that is growing at an incredible speed. My goal is to listen to my neighbors and those in our city and represent their needs and desires for growth and a sustainable future. With your support, I will represent our best interests.

## CITY COUNCIL CANDIDATE:

**BUZZY A. MULLAHKHEL**

**[buzzy@northlogancity.org](mailto:buzzy@northlogancity.org)**

My wife Karina and I have been residents of Cache Valley since 1998. Nearly all those years have been right here in this city and we can't think of a better place to live. We are incredibly grateful that we have been able to raise our 4 children exclusively in North Logan.

I am excited for the opportunity to run for City Council. I've had the pleasure of being on the Planning Commission since January, 2018 and have served as the Vice Chair for 2019. Being on the commission has provided great insight into the inner workings of the city and the challenges that we face as we continue to grow. Should I be elected, I hope to be a fair representative for all North Logan residents and do my best to listen to all points of view before rushing into any decision.

I believe our biggest issue as a city right now is our fast-paced growth. We need to be able to manage that growth without putting a heavy burden on those of us who call North Logan home. As a council member, I would work to ensure that as we continue to grow, we make improvements to our key infrastructure (roads, parks, water, etc.) so that we can handle the growth now and in the future, all while maintaining a strong and conservative city budget.

Please Feel free to contact me anytime by cell: 435-770-1506 or email: [buzzy@northlogancity.org](mailto:buzzy@northlogancity.org).  
Thank you for your support and consideration!

## CITY COUNCIL CANDIDATE:

**CRAIG HUMPHREYS**

**[craig@northlogancity.org](mailto:craig@northlogancity.org)**

North Logan is a unique and wonderful place to live and raise families. I married a North Logan native and for the past 27 years we have raised our family here. North Logan has a wonderful mix of agriculture, single and multi-family living, commercial and industrial zones. North Logan provides emergency services, transportation, utilities, parks, recreation and trails.

I have seen change and development within our city over the years. I'm a charter member of the fire department, have been a full-time city employee in public works and the fire department. I've served on the Planning Commission and currently serve on the City Council and Cemetery Board. My education is in Emergency Services Administration and Human Resources. On a state level, I have served on the Utah

Building Code Commission and I'm currently the Vice Chair of the Utah Fire Prevention Board and a past trustee of the Utah Chapter of International Association of Arson Investigators. I feel my education, work experience and previous service to the city enables me to bring a strong perspective to the City Council. Throughout my life I've been taught that it is important to serve your community.

In the future, North Logan will need to continue to provide for future growth while protecting the wonderful atmosphere and community that currently exists. My decisions will be made on my values and principles and listening to the citizens of North Logan City. I feel that I have the decision-making qualities to serve well. I would like to continue my service to the people of North Logan at the City Council level.
