

Tour of Utah

Stage 1

North Logan

North Logan City is pleased to announce that we will be hosting Stage 1 of the Tour of Utah. This cycling race is the one of the top cycling events in North America.

RACE DETAILS

On Tuesday, August 13th Stage 1 of the race will start and end at the RSL Indoor Soccer Facility (2850N. 200E.). The race will start at noon and exit North Logan City to race through the town of Newton and throughout Cache County. The riders will then return to North Logan City from 2pm to 3:30pm, and make five final laps around North Logan City.

(See Route Map on the reverse side)

FAMILY FUN

While the riders circle the west side of the Valley, there will be a carnival-type atmosphere around RSL, the Ice Center, and Green Canyon High School from noon to 4pm. This will include blow-up slides, food, vendor booths, and opportunities to watch the race on a large blow-up screen.

KID'S RACE

At 1:30pm, there will be a kids' race for ages 5-12 near the finish line. Kids must register with a parent at the University of Utah Health Care booth near the RSL Facility to sign a waiver for the race. Kids must wear a helmet and closed-toe shoes to participate in the bike race. All participants receive a prize and a chance to win a free bike.

SPECTATORS

We would like to see the whole community come out to watch this prestigious bike race. If you can't make it to the start/finish line, then please feel free to watch it from your porch or on the sidewalks throughout the community as the riders fly past. As a general note, from noon to 4:00pm, there will be periodic traffic delays/closures throughout the city for the race.

VOLUNTEERS

There are still several volunteer opportunities to be race directors, as well as for day of race festivities. If you would like to volunteer, please register at www.tourofutah.com or email matt.j.and12@gmail.com. The volunteer coordination meeting will take place at Green Canyon High School Lecture Hall at 7pm on Thursday, August 8th.

BUSINESSES

If you would like to be a sponsor of this major event, or set up a booth at the race expo at the RSL facility parking lot, please email Chase Butterfield at c.butterfield@northlogancity.org.

ADDITIONAL INFORMATION

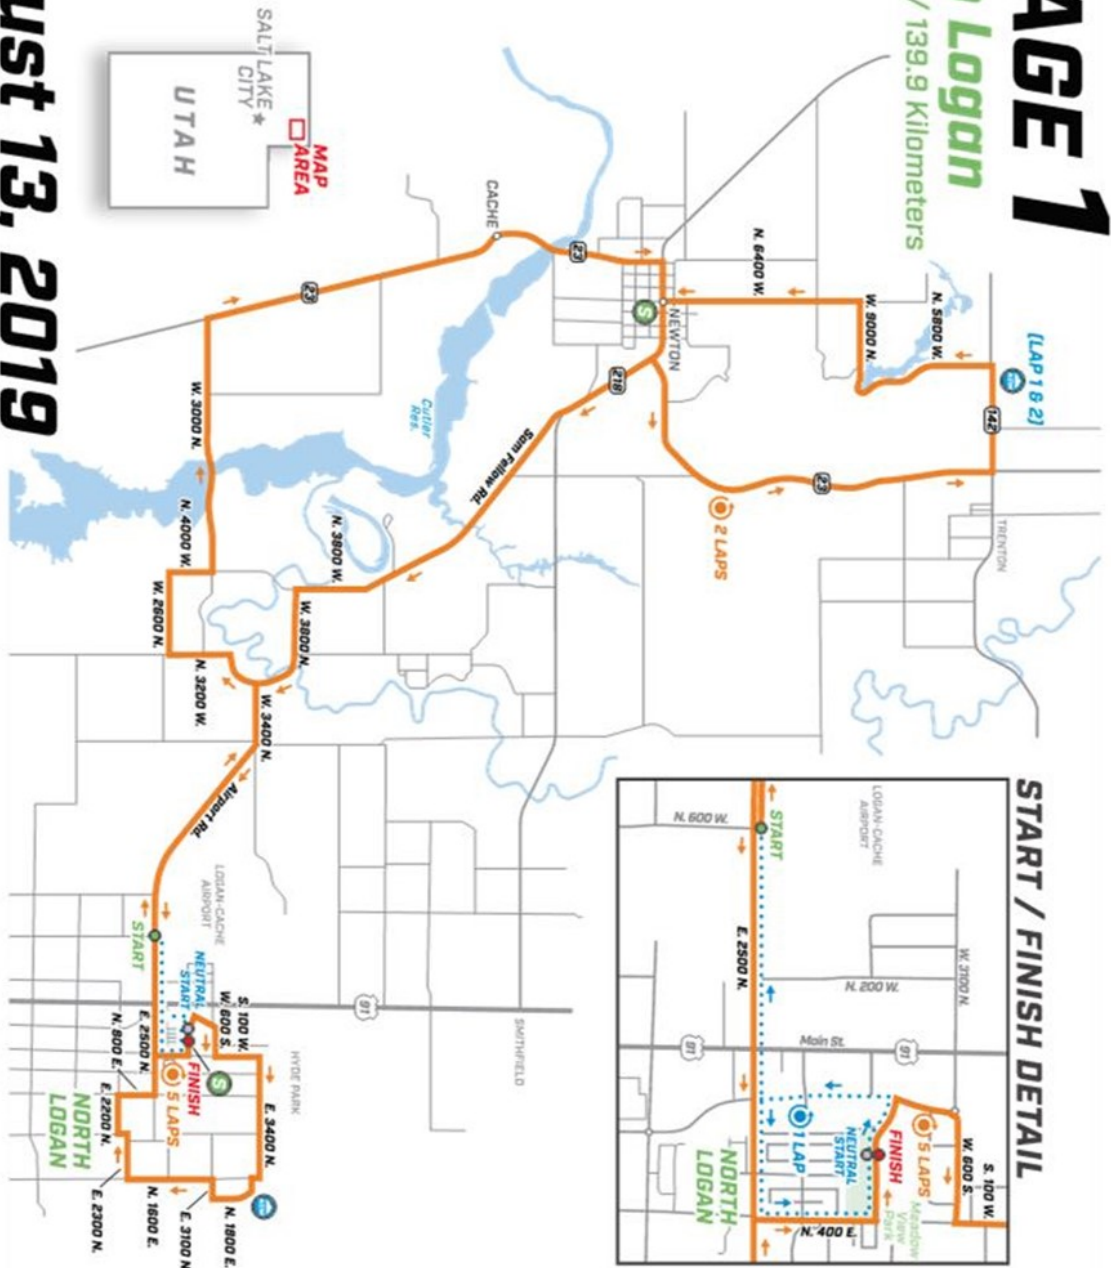

For more information regarding the race, please visit www.tourofutah.com or northlogancity.org.
