

MAYOR'S MESSAGE

Over the last several months we have been working on a city initiative focused on suicide prevention. One of the things I love about North Logan is the way folks in our community look after each other. One thing I've learned as I've attended several trainings is that one person who reaches out with a kind word or a helpful gesture at the right moment can make a big difference and may even save a life. While the holidays are a joyful season, they can be difficult for others who feel lonely or isolated. I would invite you to look out for others who might need a lift. If you observe someone who is experiencing challenges with substance abuse, clinical depression, various types of loss (including work, divorce, or death), or physical unwellness, reach out to them just to make sure they are OK. You can even refer them to the National Suicide Prevention Lifeline, 1-800-273-TALK (1-800-273-8255).

On a somewhat related note, the North Park Police Agency has free gun locks (while supplies last) that can help promote gun safety in your homes. If you are interested in a free gun lock for any reason, stop by the agency office at 575E 2500N.
 -Mayor Damon Cann

NORTH PARK POLICE

We would like to offer a friendly reminder as we move towards that busy shopping season. Thieves tend to look for vehicle and house doors that are left unlocked. Although this is best practice all year long, please keep your doors locked, purses, wallets, gifts and all other valuable items out of sight. Do not leave your valuables in your car even while parked in the garage.

If you are a victim of theft, do your best to not disturb possible items of evidence and file a police report. In any emergency dial 911, and in the event you need an officer to respond to a non-emergency please contact dispatch at 435-753-7555.

Have a safe and joyous holiday season!

-Interim Police Chief Ulysses Black

ECONOMIC DEVELOPMENT

The North Logan Hungry Games are back! For the third year in a row, we are excited to host an event with the purpose of boosting business to our local restaurants while giving our residents the opportunity to win some amazing prizes. All you have to do is eat at as many of the participating restaurants as possible, collect your point cards, and then turn them in at the North Logan Library. Those with the most points & who turn them in the fastest will win! The games will run from Oct. 28 to Dec. 2nd, giving our residents plenty of time to try out different restaurants & collect the most points possible. Participants in the past have won prizes worth hundreds of dollars and this year will be no exception. NLC YOUTH COUNCIL

At the end of September, we decorated a float and rode in the Green Canyon High School Homecoming Parade! We had a great time throwing candy and waving to many people in our community.

On October 1st, our leadership council was able to host the "Meet the Candidates" evening. It was great to meet each of them and hear all of the things they each want to do to improve our city! Questions were turned in to be asked by various members of our community. We were able to choose questions we felt were important to be answered for those in attendance.

For our October activities we set up a scene for the Pumpkin Walk! It is always a fun activity for us and people attend from all over Cache Valley. We also assisted with the North Logan Library's annual Harry Potter night!!

Library computers and Wi-Fi are free to use, and the library staff can point you to free resources that will help you choose a career and create a resume. Of course the library also has incredible community programs, such as story time, reading to dogs, Lego Club, board game night (yes, I'm talking to you D&D fans), teen programs, book club for adults, movie nights, iPad/iPhone class, USU free community workshops, and much more.
