

**MAYOR'S MESSAGE**

Thanks to everyone involved in the recent Tour of Utah bicycle race hosted by our city. We were able to showcase North Logan by hosting professional athletes at the top of their sport from all over the world. The event was broadcast live nationally and rebroadcast for the next week on NBC Sports Channel. It was an exciting event, and we received great feedback from those who participated.

The event came with challenges too. As the riders circled the city at the end of the race, there were road closures that created delays for some drivers. For the most part, these were short, but in some cases they were longer than expected. Thanks to all those who were impacted by these and we will work to minimize these impacts in the future.

Events like these are valuable both for the experience and the national exposure for economic development. Successful economic development is integral in keeping our taxes down through the increased tax revenue we receive from sales taxes and commercial property taxes.

-Councilman Bruce Lee

**GOVERNMENT MEETINGS** (Agendas: [pmn.utah.gov](http://pmn.utah.gov))

**City Council Meetings will take place on Wednesday, October 2nd and 16th at the Library.** The City Council will have a presentation from CAPSA related to Domestic Violence Awareness month. In addition, the City Council will be discussing Fire and Police services, along with "lessons learned" from the Utah League of Cities and Towns.

**Planning Commission Meetings will take place on Thursday, October 3rd and 17th.** The Planning Commission will continue their updates to the Moderate Income Housing Plan, along with discussions related to the General Plan. There will also be continued discussion related to zoning and the road master plan west of Main St.

**UTILITIES**

We wanted to let you know that utility payments can no longer be dropped off at Lee's Marketplace. You are more than welcome to bring them by our city offices, mail them in, pay them on-line, or over the phone for a nominal fee. If you have any questions, please contact our office. Thank you!

**PROTECT YOUR IRRIGATION SYSTEM FROM WINTER DAMAGE:**

Winterizing your sprinkler system - removing water from the pipes, valves and sprinkler heads - is essential before freezing occurs. It's the best way to protect your irrigation investment from potentially serious damage this winter. Please make sure outside valves are turned completely off. If left on even a quarter turn, water can leak out of your stop and waste valve all winter, leading to higher costs and possible damage.

**NORTH PARK POLICE**

North Park Police Department would like to introduce Nick Hidalgo as our department's newest D.A.R.E. Officer. Detective Hidalgo has 15 years of law enforcement experience and has recently been assigned to the investigations division for NPPD. Detective Hidalgo graduated his D.A.R.E. Training on August 9, 2019 and will soon begin teaching in the schools as part of his assigned duties. We would like to thank Detective Hidalgo for his dedication to the citizens we serve.

**ECONOMIC DEVELOPMENT**

The North Logan Hungry Games are here again! Thousands of dollars in prizes are available to competitors and victors, as challengers conquer the city's restaurants. Go to [northlogancity.org](http://northlogancity.org) to learn more about the rules and the many businesses that are sponsoring this year's games! May the odds be ever in your flavor!

**NLC YOUTH COUNCIL**

September was our opening social. We played several games together that gave us great opportunities to get to know each other, as well as playing fun team-building activities. We also discussed the types of activities we could do that will allow us to best serve our community throughout the year. This is going to be an amazing year! We can't wait to serve the community, because service is sweet!

Don't miss this smashing good time!

## DEER TRAPPING

If you would like to get on the list for deer meat please call Animal Control Officer Nolan Krebs at 435-994-1674. This began August 1st and runs through October 15th. There is no charge and the deer will be dressed out, but processing, packaging and picking up the meat will be your responsibility.

## STORMWATER

### Water Pollution and Leaves:

Fall is in the air and that means it's time to clean up those leaves in your yard. As you do, please remember to NOT put grass clippings, leaves, and yard debris in the street, storm drain, or ditch. Littering with your yard debris can cause problems for your water. Drains can clog, streets can flood, and water can become polluted. To avoid this, use clippings and leaves as fertilizer or use a mulching lawn mower. Maybe try composting, or call 435-716-9755 to sign up for a green waste container for \$5.00 per month (weekly pick up April - November). Please be considerate while cleaning up your yards this fall season. Thank you!
