**CITY COUNCIL Candidates Night
WEDNESDAY, October 13th, 2021
6:30pm to 7:30pm
North Logan City Library
475 East 2500 North**

**MAYORAL CANDIDATE:
LYNDSAY PETERSON
lyndsai@northlogancity.org**

I have fallen in love with North Logan and feel lucky to raise my family here. From the start, I've invested in this community I love by serving in various capacities.

I am currently the chair of the Planning Commission, which has given me a close-up view of the issues relating to growth in North Logan. I've been president of the Friends of the North Logan Library for four years and worked closely with library and city leaders in filling our library with robust programs, materials and activities for our community. I've served on the Cache County Medical Alliance Board, the executive committee for the Cache County Republican Party and on the North Park PTA board.

My background as a lawyer has been invaluable as I have served in these and other positions. I know how to distill discussions down to the most significant issues that are at the core of the decision at hand. I know how to advocate for those I represent based on a thoughtful analysis of the facts.

I would love the opportunity to serve North Logan City as your mayor.

**MAYORAL CANDIDATE:
HR CHRIS NELSON
cnelson@northlogancity.org**

Occupation: Executive Director of Business Operations for Business and Finance at Utah State University

Website: <https://www.facebook.com/chrisnelsonformayor>

Qualifications: 32+ years resident of North Logan, Previous Chair of North Logan Planning Commission, State Delegate and Party Precinct Vice-Chair, Presenter - Northern Utah Economic Summit, Bear River Industrial Council, Treasurer Irrigation Association, Volunteer Emergency Preparedness Fair, Volunteer North Logan Pumpkin Walk, 24th Parade, Youth/Adult Sports, Merit Badge Counselor. 35+ years in private business as VP of Finance and Chief Financial Officer (CFO). Master's Degree in Business Administration (MBA), Bachelor's Degree in Business and Finance. Married to Elaine, with four children and five grandchildren.

Top priority: Listen to residents of North Logan, city council, city employees, and work to find common ground, solutions and implement plans.

North Logan's growth requires citizen input, planning, and patience. We need residents and elected officials discussing ideas and possibilities. We need the mayor, city council and staff forecasting, planning, and executing. The well-being, public health, and safety of North Logan residents must be at the heart of every decision. I will work with the city council and staff to forward policies and legislation to accomplish that goal.

Let's talk! (435) 535-1709

- City Council Candidate Profiles on back -

CITY COUNCIL CANDIDATE: JONI KARTCHNER

joni@northlogancity.org

(801) 960-5967

Facebook: Joni Kartchner North Logan City Council Candidate

My love for North Logan continues to grow since first being introduced to the valley 29 years ago. My husband grew up here, and it's where we desire to remain. We love the small-town rural feeling, history, culture, and natural resources. My interest in running for city council is to ensure that North Logan will remain a safe and appealing community for future generations.

While we still have raw farmland, we need to work together and plan smart to protect what I believe most of us find so appealing about North Logan. We should be careful not to overbuild just to meet the demand. There's a delicate balance, especially when considering the impact on city services (water, roads, police, fire, schools, etc.). As a real estate agent and interior designer, I have seen the demand and the fast pace of development first hand. While I love being in this industry, I feel it's important to plan smart, design better, and leave something that can be enjoyed by following generations, and remain a place we love calling home. Feel free to reach out to me or follow me on Facebook at Joni Kartchner North Logan City Council Candidate.

CITY COUNCIL CANDIDATE: EMILY SCHMIDT

eschmidt@northlogancity.org

I established my family with my husband in North Logan 7 years ago and have grown to appreciate and love North Logan. I appreciate the beauty of Green Canyon, our excellent recreation department and the friendliness of the citizens.

North Logan is growing daily and I want to have a plan in place that will benefit all the citizens of North Logan. I want to fund the programs that make North Logan a great place to be and encourage business growth. I want to have communication between North Logan and Hyde Park City Councils and create common goals for our communities. We need clear communication between citizens and the government to make any plan work!

North Logan is not just where my house is located, it's my home. It's the place where I plan to stay and I want to maintain its excellence as we go into the future!

My goals include:

- Increase communication between local city councils to have a plan for the future
- Diversify businesses in North Logan to increase our sales tax revenue
- Create a children's museum and community center
- Update and maintain hiking trails and paths

CITY COUNCIL CANDIDATE: BRAD CROOKSTON

brad@northlogancity.org

Qualifications

- Lifelong citizen of North Logan.
- Utah State University Graduate with a Master's degree in Civil Engineering.
 - This gives me an in-depth understanding of city infrastructure and needs.
- Founded Crookston Custom Designs, a structural engineering company.
- Previous Chairman of North Logan Planning Commission.
- Current Member of North Logan City Council.

Political View

- I am concerned about what we do and don't spend money on in North Logan.
 - We must take care of our needs before our wants.
 - Some of our needs include roads, utilities & public safety.
- An advocate of property owner rights.
 - Both Citizens & Developers have rights.
 - City laws and ordinances should be fair to both citizens & developers.
- Development within the city should cover its burden to the city while at the same time not be over burdened by the wants of the city.
 - Every Development should meet the code & pay its way.

My top priority as a council member will be to preserve North Logan as a great place to live.

CITY COUNCIL CANDIDATE: BRUCE W LEE

bruce@northlogancity.org

Originally from Standish, Maine, I moved to Utah in 1988. After getting married in 1989, our family moved to Cache Valley to attend USU where I received both my undergraduate and master's degrees in business. We have lived in North Logan since 1996. My wife is an elementary teacher in Smithfield, and I own a small business here in the city. Two of our three children are Sky View graduates, and our youngest child just graduated from Green Canyon High. We love North Logan and appreciate all the hard work of past and present city leaders, employees, elected officials, and volunteers who have served to make this area special.

Our city is facing many challenging issues related to our rapid growth. There are challenges for emergency services, staffing, water supply, streets, land use, and property rights. These issues are complex and multi-faceted. My experience serving as chair of the Chamber of Commerce, vice chair of the Cache Valley Economic Development Alliance, chair of the North Logan Planning Commission, and USU Center for Entrepreneurship board, along with working with our citizens are helpful in working through these issues. I hope to be able to serve the city for a second term.
