

MAYOR'S MESSAGE

Thanks to everyone who participated in our North Logan Citizen Satisfaction survey! At the time of this writing, we have had nearly 700 responses, which surpassed our expectations. We're preparing a summary of your responses to share with everyone, but here are some key takeaways:

1. **Email newsletter:** Many of you suggested that we email an electronic version of the monthly city newsletter. You can send an email to sign up to mary@northlogancity.org to receive the newsletter electronically - or you can access current and past versions of the newsletter on the city's website.
2. **Pickleball:** We can't get enough! Our rec department is excited to utilize our 8 new pickleball courts this spring with leagues, tournaments, and open play.
3. **Target:** In a twist that doesn't surprise anyone, many of you would like to lure a Target into our boundaries. Other popular answers were: Trader Joe's, Aldi, and Mod Pizza.
4. **Pool/Rec Center:** People feel strongly about this one! Virtually everyone wants a recreational center with indoor pool facilities.
5. **Trails:** Most of you would use the Bonneville Shoreline Trail at least monthly and there's solid interest in the 1900 N, 600 E, 1600 E, Canal, and 2500 N trails, as well.
6. **Out with the weeds!** Our number one complaint is overgrown vegetation and weeds.
7. **Housing:** Most people feel like there is a good diversity of housing in North Logan and growth is on everyone's minds.

Again, thanks for taking the time to give us your feedback. We read each comment and appreciate your help in identifying and solidifying our priorities and to identify areas where we need to improve.

-Mayor Lyndsay Peterson-

NORTH LOGAN CITY YOUTH COUNCIL

The North Logan Youth Council has been having fun and doing lots of service! Recently, we made craft kits for The Family Place's princess party and made valentines for care center residents. We hope you can look for ways to serve those around you!

NORTH PARK POLICE

Within the last month, several incidents have been reported where impatient drivers have proceeded through an intersection occupied with students, against the direction of our crossing guards. In one case, a student narrowly escaped being hit by a driver intent on getting to their destination. The crossing guard was able to provide a license plate number, and a citation was issued. Our crossing guards play a critical role in helping our students remain safe as they walk or bike to school. As a reminder, the biggest threat to our students and crossing guards are from vehicles turning left or right. If you are in a hurry, consider taking an alternate route and avoiding the crosswalks at the start and end of school.

If you are interested in joining our crossing guard team or becoming an alternate, please contact the North Park Police Department at 435-753-7600 or visit our website at www.northparkpolice.org under the forms section.

GOVERNMENT MEETINGS (Agendas: pmn.utah.gov)

The City Council meetings this month will take place on Wednesdays, March 1st & 15th, at 6:30 p.m. at the North Logan Library. In March, the City Council will consider vacating a portion of the 2400N right of way (near 400W). There will be a consideration of code amendments regarding storage facilities and solid waste facilities. In addition, there will be budget proposals for the FY24 budget for the following departments: Parks, Cemetery, Recreation, Stormwater, Streets, Sewer, and Water.

The Planning Commission meetings this month will take place on Thursdays, March 2nd & 16th at 6:30 p.m. at the North Logan Library. The Planning Commission tentatively plans to hold public hearings or work session discussions on the following topics: ◆A city-initiated proposal to adjust the subdivision and development standards in the RE-5 zone; ◆A potential amendment to the existing Design Review structure and process for commercial, industrial, institutional, and city-center Developments; ◆Work session discussion regarding subdivision access requirements and inner-block accessibility.

Additional items may be discussed in March, depending on applications received throughout the month.

To stay informed on planning topics in the City, all Planning Comm. & City Council agendas are published at least 24 hours in advance of any scheduled meetings on the Utah Public Notice website (utah.gov). Feel free to create an account on the utah.gov site and follow the North Logan City Council or Planning Commission to receive notifications of upcoming meetings. We also post our agendas on our website and on the North Logan City Facebook & Instagram pages prior to the meetings. If you'd like to receive the agendas via email, please send an email requesting so to marie@northlogancity.org to be added to the list. If you do have questions or concerns about any city-related items, the best way to receive answers is to reach out directly to the appropriate city department head. Either call (435)752-1310 or find their email listed on our website at northlogancity.org

The cost is \$15 for spayed or neutered dogs, or \$25 for unaltered. If your dog is no longer with you, or if you have questions about when your dog's license is due, please call the City Office, at 435-752-1310 ext. 1. Thank you!!

DAYLIGHT SAVING TIME!

Just a reminder to move your clocks ahead one hour, at 2:00 a.m., on **March 12th**!

STREETS

Into March, our Streets Department will be continuing to inspect and trim trees that are encroaching into the roadway. Our city ordinance has a standard of 12 feet over the back of curbs and 7 feet over sidewalks. Any branches that violate this clearance space are subject to removal by our crews. If any citizen prefers to do this themselves or hire someone else, that is acceptable. However, our Streets Department will be working to clear the encroaching branches and will not wait for property owners to complete this task.

Also, snow removal is to be expected during the month of March. Please comply with the winter parking ordinance (which ends March 31st) and give our snowplow drivers a break by taking the time to park your car off the roadway during the night.

Additionally, when clearing the snow from your driveways, please remember that **it is against the law** to push or blow it into the street, as it is a danger to drivers and plowers. Please also be sure to clean the snow from the sidewalks in front of your home for the safety of the elderly, people in wheelchairs, children trying to pass on their way to school, and neighbors walking or exercising.

It is also helpful to remove any material/ personal property from the roadway.

We appreciate your cooperation!!

FLIP THE STRIP

As part of our water conservation strategy, North Logan will be implementing incentives to swap out the grass in your park strip and replace it with waterwise landscaping. Water utility bill credits will be available for participants. Please, watch the city's website northlogancity.org and social media for details in the coming months. Initially, this will be for commercial only, with residential to follow later.

SEWER

North Logan City sewer rates are based on a six-month average winter WATER usage (November – April). This is done to ensure that the average water usage does not include culinary water used outdoors in the summer. Your Winter Average is recalculated each year in June, so using less water during winter months by turning off your sprinkler system and watching for leaks, can help you save money on your utility bill all year.

For more information, please see our website at:

northlogan.municipalcodeonline.com/

and go to Master Fee Schedule.

STORMWATER

As the weather warms up, please keep the following in mind:

1. As the snow melts, sometimes debris from plows or ice taking longer to melt will plug up storm drains, not allowing the snow into the drain. If you notice this problem, please call the office, and city crews will come to take care of it, at (435) 752-1310.
2. As you begin your landscaping projects, please make sure to keep your materials on your property, and not in the road or gutter. This is a stormwater violation.

Following these steps will ensure a proper spring drain, and functioning storm drain system. Thanks so much for your cooperation!

WATER

North Logan's Cross-Connection Control Program ensures that our public drinking water supply is safe and protected. Each year, we conduct an annual hazard assessment at each commercial, industrial, and institutional property, inside and out. We check each of these businesses for any potential contamination threats, and ensure that all proper backflow assemblies are installed. Each year, hundreds of backflow assemblies are tested in North Logan, each one responsible for stopping any potential backflows of water. We would like to thank our business owners for being committed to ensuring that our water system remains safe at all times.

APPRECIATION FOR MAYOR LYNDSEY PETERSON

In Mayor Lyndsay Peterson's first year of office, she has secured property and bonds for our future water system; received a \$3M loan and \$1M grant for sewer; secured \$2.9M in grants for roads; \$4.5M in donations for a new city office; and \$6.1M in endowment funding for a new community center (and counting). All of which has helped keep North Logan City's property tax rate below the average in Cache Valley. In addition, she has increased communication and transparency with the residents of the community; and made significant improvements to the Library and Recreation Departments, who now set the standard in Cache Valley for the number of annual participants. She has worked with the Police Department to increase the standard of service; and, recently, she helped remove 683 parcels in North Logan City from the Hyde Park Cemetery Maintenance District Tax.

Additionally, this year, when Logan City decided to no longer provide garbage collection services for the other cities of Cache Valley; Mayor Peterson spent countless hours working with the other Mayors of the County to secure garbage collection services.

If you have a few minutes, please feel free to send an email with your thoughts of appreciation to Mayor Peterson at mayor@northlogancity.org
