

**MAYOR'S MESSAGE**

My thoughts at this time center on the importance and meaning of Memorial Day. In May 1868, General John A. Logan issued a decree that May 30<sup>th</sup> should be a nationwide day of commemoration for the more than 620,000 soldiers killed in the Civil War. As time went on, the meaning of this important day evolved into honoring soldiers who lost their lives in all wars. Joseph Campbell said, "A hero is someone who has given his or her life to something bigger than oneself." I am grateful for the sacrifice of all the heroes who have given their lives in the service of our great nation. I hope that we can remember and honor them. We owe a debt of abiding gratitude to those who sacrificed so much to ensure our freedoms and our system of representative government. General Douglas MacArthur stated, "No man is entitled to the blessings of freedom unless he be vigilant in its preservation." The spirit of reverence and appreciation for those brave men and women should linger long after we celebrate the day each year. May the courage of those we remember on Memorial Day who inspire and motivate us, continue on, true to our nation's founding values, in spite of the challenges we face today.

-Councilman Roger Anderson

**GOVERNMENT MEETINGS** (Agendas: [pmn.utah.gov](http://pmn.utah.gov))

**The City Council meetings in June will take place on Wednesdays, June 7<sup>th</sup> & 21<sup>st</sup>, at 6:30 p.m. at the North Logan Library.** In June, the City Council will hold public hearings regarding end of year revisions to this year's budget, and the proposed budget for next fiscal year (starting July 1, 2023). There will be a public hearing regarding an application to the Community Impact Board for a potential grant to help fund culinary water studies. In addition, the City Council will consider a proposed plat amendment for the North Logan Industrial Subdivision (400W 2850N).

**The Planning Commission meetings in June will take place on Thursdays, June 8<sup>th</sup> & 22<sup>nd</sup>, at 6:30 p.m. at the North Logan Library.** The Planning Commission tentatively plans to hold public hearings or work session discussions on the following topics:

- ◆ Potential review and recommendation of the Preliminary Plat and Development Plan associated with the proposed Linden Lane Subdivision (~3100 N 1200 E);
- ◆ Potential extension of a previously approved and currently-expired Conditional Use Permit for a small, multi-unit storage project (~2000 N 200 W);
- ◆ Work session discussions and potential public hearing and recommendation regarding a zoning text amendment to the city's zoning ordinance regarding conditional use permits and detached accessory dwelling units;
- ◆ Review and recommendation regarding a proposed development plan for a mixed commercial project located at approximately 2200 N 100 E in the City Center Commercial (CCC) zone. Additional items may be discussed in June, depending on applications received throughout the month.

*To stay informed on planning topics in the City, all City Council and Planning Commission agendas are published at least 24 hours in advance of any scheduled meetings on the Utah Public Notice website ([utah.gov](http://utah.gov)). Feel free to create an account on the [utah.gov](http://utah.gov) site and follow the North Logan City Council or Planning Comm. to receive notifications of upcoming meetings. We also post our agendas on our website and on the North Logan City Facebook & Instagram pages prior to the meetings. If you'd like to receive the agendas via email, please send an email requesting so to [marie@northlogancity.org](mailto:marie@northlogancity.org)*

**GARBAGE PICK UP** Cans need to be out by 6 a.m.

**NORTH PARK POLICE**

School is out and it's time to enjoy the outdoors. More than ever, motorists need to be aware of kids walking on the roadway, riding bicycles, and selling lemonade on the corner streets. Please slow down and allow for plenty of room as you pass. Construction work also will be more frequent, and we ask that motorists adhere to the flaggers working those construction zones.

Mark your calendars for this year's National Night Out Against Crime on Tuesday, August 1, 2023, at 6:00 p.m. at Elk Ridge Park. This event is observed nationally and raises police awareness in our community. There will be multiple booths and games for your family, and opportunities to learn about police work here in Cache County.

Lastly, if you or your spouse are interested in becoming a crossing guard, please go to our website at [northparkpolice.org](http://northparkpolice.org) and fill out an application. The starting wage is \$14.00 an hour. If you have any questions, please contact us at 435-753-7600.

## FROM THE MAYOR

How can I be more informed about what's going on in North Logan City? A few ideas:

1. Request to get the monthly North Logan City newsletter via email by emailing [mary@northlogancity.org](mailto:mary@northlogancity.org);
2. Email [mary@northlogancity.org](mailto:mary@northlogancity.org) to ask to be on the city's text alert list;
3. Follow [North Logan City](#) on Facebook, or [@northlogancity](#) on Instagram;
4. Follow me [@lyndsaylpeterson](#) and [@emily.onscouncil](#) on Instagram, or [Mayor Lyndsay Peterson](#) and [Emily Schmidt for North Logan City Council](#) on Facebook.

We answer questions and do deep dives on issues affecting our residents.

## COMPLAINTS, CONCERNS, FEEDBACK?

If you go to the City's website, [northlogancity.org](http://northlogancity.org) and click on the "I want to" tab, you will be given an option to "Report a Problem." There are quick forms for work orders for the following departments: General Comment, Facilities, Parks, Streets, or Utilities. These forms are a great opportunity to report a concern/work order for the City staff to fix.

## DUP - RALPH SMITH CAMP

The DUP Ralph Smith Camp is looking for any family histories or information about the Green Canyon Rock Quarry. This rock quarry was used for the Logan Temple and Tabernacle. We would like to erect a DUP marker at the rock quarry to honor the pioneers who worked there. Please call or text Nancy Potter at (435) 232-5599.

Daughters of Utah Pioneers meet monthly. Text Nancy at (435) 232-5599 for more info.

NORTH LOGAN LIBRARY - Continued ➤

Newsletter Editor: [marie@northlogancity.org](mailto:marie@northlogancity.org)

## STREETS

The Streets Department will be preparing several North Logan roads for surface treatments that are taking place this year. During the week of June 12<sup>th</sup>-16<sup>th</sup> we will be fog-sealing:

- 1800 N from Main St. to 1000 E
- 1900 N from 1000 E to King Park
- 2200 N from 200 E to 1200 E
- 2300 N from 1200 E to 1600 E
- All of the Green Canyon neighborhoods south of 1900 N
- All of the Canyon Ridge neighborhoods south of 3100 N
- 2450 N off of 1600 E

Road closures should be expected and traffic will **NOT** be permitted on these streets until the applied product has dried. This usually takes about an hour. Individuals who disregard this instruction, risk damage their vehicles and failure of the product being applied.

Until June 12<sup>th</sup>, we will be patching several failed spots in the roads. Please be respectful of our signs and crews. These signs and road closures are there for the safety of our citizens, and crews. Closures also ensure that these repairs are not damaged by traffic being reintroduced too soon.

Our work will continue throughout June to prepare for additional surface treatments, scheduled to occur on the week of July 10<sup>th</sup>. These surface treatments will be applied on 1600 E, and 800 E. Road closures will take place, and traffic will **NOT** be permitted on sections of these roads for up to 2 hours.

We appreciate your patience and cooperation!

## STORMWATER

With the weather warming up, it's time to jump back into the pool! When you start the process of setting your pool up for the season, follow this link for a detailed explanation and examples of the proper way to dispose of old pool water <https://documents.deq.utah.gov/water-quality/fact-sheets/DWQ-2020-016428.pdf>.

Please watch for hazardous materials entering the storm drain. Remember to keep all chemicals, oils, and other hazardous materials contained. If they spill, clean them up quickly. Avoid cleaning with water. While working on cars or other motorized equipment, catch all drained fluids into a catch-pan and dispose of them properly. If spills occur, use the Floor-Dry product to soak up spilled fluids, and dispose of them properly. Following these procedures will help to keep harmful pollutants out of the storm drain system. We appreciate your efforts.

This month the city will send letters to landowners with retention or detention ponds. If you receive this letter, please perform the inspection and return it to the city. City employees will also be performing inspections on ponds. While we will do our best to stay off your property, please have patience and talk with the employees. We will work with you to make this as painless as possible. Thanks for all your cooperation!

## CONSTRUCTION UPDATES

For updates on the City Offices and other city construction projects, please go to the link below for our city website for more info:

<http://northlogancity.org/construction-projects/>

## CEMETERY DECORATIONS

The city is grateful to all who participated and attended the amazing Memorial Day Program this year! On June 12<sup>th</sup>, the city also will do its semi-annual cemetery clean-up, and discard decorations and flowers from the NL Cemetery that are out of condition and items that are not in compliance with the city's cemetery ordinance such as glass items. The full ordinance can be found at: [northlogancity.org](http://northlogancity.org)

## WATER - SUMMER OUTLOOK

### North Logan's Water Outlook for Summer

This past winter has brought an abundance of snow to our mountains. Snowpack is expected to exceed ~150% of the yearly average. Despite the above-average snowfall and rain from this past winter, it will likely not be enough to alleviate our long-term drought conditions in North Logan. Snow runoff generally takes about two years before it replenishes our underground aquifers, which is where we receive our culinary water. It's still important to remain cautious and calculated about how we use water in North Logan this summer.

#### What to Expect:

Water Restrictions will remain in effect this summer. Water restrictions help tremendously in enabling us to meet the growing demand for water during the summer months. Water restrictions also help to promote water conservation by encouraging residences and businesses to be more mindful of their water usage. By implementing a watering restriction schedule, North Logan can effectively cut water demand in half, ensuring that the daily summer water demand is met.

North Logan has begun drilling and constructing our 7<sup>th</sup> well this past winter. This new well is expected to expand our water production and help mitigate a portion of the growing demand of our city. In addition, over the next year we will begin construction on more underground storage reservoirs, which will significantly aid in meeting the demands of culinary water.

New developments in North Logan are now only permitted to utilize secondary (canal water) for exterior watering, or in areas where extremely strict water restrictions are implemented.

Please strive to postpone lawn watering until **June 1<sup>st</sup>**, if possible. If you must water, please abide by the address watering schedule below:

#### June's Water Restrictions:

Homes utilizing culinary (city) water for lawn watering are required to abide by the 3 days per week watering schedule as follows:

**ODD ADDRESSES: Mondays, Wednesdays, Fridays**

**EVEN ADDRESSES: Tuesdays, Thursdays, Saturdays**

**No watering allowed on Sundays.**

Properties that have access to culinary water and secondary water for lawn watering are required to use secondary water ONLY. Secondary water users will receive their schedule via their canal companies.

#### Flip the Strip:

As part of our water conservation strategy, North Logan will be implementing incentives to swap out the grass in your park strip and replace it with waterwise landscaping. Water utility bill credits will be available for participants. Please, watch the city's website at [northlogancity.org](http://northlogancity.org) and social media for details in the coming months. Initially, this will be for commercial only, with residential to follow later.

#### 2022 Consumer Confidence Report:

"We are committed to ensuring the cleanest and safest water available. The Consumer Confidence Report is now available for 2022. It can be found at [northlogancity.org/consumer-confidence-report/](http://northlogancity.org/consumer-confidence-report/)
