

**MAYOR'S MESSAGE**

It's hard to believe we are welcoming in August already. It is my hope that you had a fun and safe July 4<sup>th</sup>, and that you also enjoyed the parade and activities provided during the Pioneer Day celebration. We have been told that North Logan has the largest Pioneer Day celebration in the valley. Thank you to those who helped put this event on for the community, and for those who helped with the pancake breakfast. It's always a favorite. We also love seeing the participants in the parade, seeing kids enjoy the bounce houses and slides, and visiting with the vendors in the park.

I would like to thank our Streets Department for the cost-effective way in which they have cared for our streets. It is a big undertaking. We realize it's not always convenient as the work is being done; but the method used should provide our city with preventative measures that will allow us to keep from having to replace our roads for many years...which will be a savings to all of us.

I also had the opportunity to join our Mayor, City Council members and several city employees in visits to the Sports Academy & Racquet Club, EP Systems, S & S, Walmart, Central Valley Machine, Kimberbell, and Valley Implement over the last several months. Our city is fortunate to have so many local businesses which provide services and employment to those in our community. We appreciate the opportunity to be able to make these visits, and look forward to meeting with our other local businesses throughout the year. The efforts of many make living in North Logan the best place to call home.

*-Joni Kartchner, City Council Member*

**GOVERNMENT MEETINGS** (Agendas: [pmn.utah.gov](http://pmn.utah.gov))

**The City Council meetings in August will take place on Wednesdays, Aug. 2<sup>nd</sup> & 16<sup>th</sup>, at 6:30 p.m. at the North Logan Library** In August, the City Council will be considering proposed code changes for landscaping requirements for new developments which will enable the city to be eligible for the state's landscape conversion incentive program. There will also be a development plan and preliminary plat consideration for an 8 lot subdivision on the corners (NW & SW) of 3100N 1200E, along with a single lot subdivision at 2600N 1600E.

**The Planning Commission meetings in August will take place on Thursdays, Aug. 3<sup>rd</sup> & 17<sup>th</sup> at 6:30 p.m. at the North Logan Library.** The Planning Commission tentatively plans to hold public hearings or work session discussions on the following topics:

- ♦ Development plan and preliminary plat for a single-lot subdivision located at approximately 2600 North and 1600 East;
- ♦ An amendment to the North Cache Business Park Subdivision located at 2500 North and 500 West;
- ♦ Development plan for a mixed-use commercial project located at approximately 2200 N 100 E;
- ♦ Rezone request for a portion of Parcel ID: 04-084-0021 from small single-family residential (SF6) to City Center Adjacent (CCA);
- ♦ Amendments to the regulations for Accessory Dwelling Units, Short-Term Rentals, and Conditional Use Permits;
- ♦ Amendments to the regulations for on-site waste water systems (septic) for new dwellings not serviced by sewer.

Additional items may be discussed in August, depending on applications received throughout the month.

**GARBAGE PICK UP** Cans need to be out by 6 a.m.

**North Logan City - Thursdays**

**Green Canyon Area - Wednesdays** (East of 1600 E & South of 1900 N)

**BLUE RECYCLE PICK UP** Cans need to be out by 6 a.m.

**City Areas - 3<sup>rd</sup>, 17<sup>th</sup> and 31<sup>st</sup>**

**Green Canyon - 2<sup>nd</sup>, 16<sup>th</sup> and 30<sup>th</sup>**

**NORTH PARK POLICE**

North Park Police Department wants to express our gratitude and thanks to the public for their support during our recent city celebration activities and National Night Out Against Crime event on August 1<sup>st</sup>. We appreciate all opportunities to cultivate good relationships with the public.

To that end, one way the Police Department can serve the citizens is through educating them on ways to be safe. Recently, our officers have investigated several fraud cases. North Park Police will NEVER call you and ask for money because you have a warrant. Beware of letters indicating your "Home Warranty" is expiring, "Final Notice", and use of language that portrays a sense of urgency or pressure. These types of scams sometimes resemble a check with the words "Registration Fee Voucher" somewhere on it. If it sounds too good to be true, it more than likely is!

Our detectives have put together a fraud presentation to help with this problem, and are more than willing to come present to your group or organization. To schedule a public presentation, please reach out to our office during our normal business hours at 435-753-7600 or contact us on our website at [www.northparkpolice.org](http://www.northparkpolice.org)

## MAYOR'S FAQ

Below are some frequently asked questions pertaining to your utility bills:

### ***Why do I still see a 50-cent charge on my utility bill for green waste?***

Logan has always charged \$1.00 per month for green waste--50 cents of which went towards having the green waste containers at Elk Ridge; and the remaining 50 cents was for composting at the landfill (for curbside or direct haul green waste). Because they continue to provide the composting, they continue to charge the 50-cent fee.

### ***When will garbage service in North Logan transition from Logan City to Waste Management?***

October 1, 2023.

### ***Will we still have recycling and curbside green waste service?***

Yes. Those services will continue when Waste Management begins service.

### ***I got my property tax bill from the County. Why am I still being billed for the Hyde Park Cemetery Maintenance District?***

In March of this year, we were thrilled to finish the lengthy process to adjust the cemetery district boundaries. However, this change won't take effect until 2024. The good news is that this will be your last time ever paying into the HPCMD as a North Logan resident.

## VIETNAM MEMORIAL WALL CVVA FREEDOM FESTIVAL

The traveling Vietnam Memorial Wall Replica is returning this year to Elk Ridge Park. It will be here from August 21<sup>st</sup> thru August 28<sup>th</sup>. There will be booths, services, supports, food and fun for all! There will also be other events and services available, including the Michael J. Allred Ride for the Fallen. There will be more information in the weeks to come at:

This course is already half-full, so please fill out the attached form and submit it via email to: [NorthLoganCERT@gmail.com](mailto:NorthLoganCERT@gmail.com) **ASAP** to ensure a spot in the course.

## STREETS

For the Month of August, our Streets Department will be repairing and replacing hazardous sidewalks and broken curb. We will also be grinding down small tripping hazards along our sidewalks. These are prioritized according to risk.

Our crews will also be continuing road maintenance around the city. This includes painting crosswalks, patching asphalt, sign repairs, etc.

We appreciate your patience and support as we improve these areas in our city!

## STORMWATER

Here are a few reminders on small steps you can take to help keep our city and water clean:

1. Try and wash your car in designated car wash areas. They are designed with containment structures, keeping pollutants out of storm drains.
2. If you have septic tanks, remember to have them cleaned and inspected. Doing so will greatly reduce the chance of pollutants spilling into water ways.
3. If you are doing landscaping projects, please store materials on your property and not the shoulder of the road.

We appreciate everyone's help and cooperation.

## CONSTRUCTION UPDATES

For updates on the City Offices and other city construction projects, please go to the link below for our city website for more info:

## FROM THE MAYOR

How can I be more informed about what's going on in North Logan City? A few ideas:

1. Request to get the monthly North Logan City newsletter via email by emailing [mary@northlogancity.org](mailto:mary@northlogancity.org);
2. Email [mary@northlogancity.org](mailto:mary@northlogancity.org) to ask to be on the city's text alert list;
3. Follow [North Logan City](#) on Facebook, or [@northlogancity](#) on Instagram;
4. Follow me [@lyndsaylpeterson](#) and [@emily.uncouncil](#) on Instagram, or [Mayor Lyndsay Peterson](#) and [Emily Schmidt for North Logan City Council](#) on Facebook.

We answer questions and do deep dives on issues affecting our residents.

Newsletter Editor: [marie@northlogancity.org](mailto:marie@northlogancity.org)

## COMPLAINTS, CONCERNS, FEEDBACK?

If you go to the city's website at [northlogancity.org](http://northlogancity.org) and click on the "I want to" tab, you will be given an option to "Report a Problem." There are quick-forms for work orders for the following departments: General Comment, Facilities, Parks, Streets & Utilities. These forms are a great opportunity to report a concern/work order for the City staff to fix!

## GARBAGE

**GREEN WASTE FEE:** North Logan is currently working with Logan City regarding the additional fee that was being charged for the Green Waste Dumpsters that used to be at Elk Ridge Park. You should start seeing slight reductions in your garbage bill this month, as this service is no longer provided by Logan City.

## WATER

North Logan City would like to thank our residents and businesses for following the water restrictions this summer. You have all helped to make a *huge* difference, and we are grateful!

In addition, North Logan City has made impressive strides in curbing our consumption of potable water by embracing a range of innovative measures; primarily focusing on the utilization of secondary water sources and private wells to irrigate various city parks and properties. Prominent green spaces like Elk Ridge Park and the Cache Recreation Complex now rely on secondary water for their lawn watering needs, exemplifying the city's commitment to water conservation. Even essential facilities like the City Offices, Police Station, and Fire Station have successfully transitioned to using secondary water sources only. Notably, the city has been actively working on converting our cemetery away from using culinary water sources, and it is soon to be irrigated by a secondary water supply, demonstrating our effort to further reduce our impact on potable water resources. These concerted endeavors serve as a testament to North Logan City's dedication to responsible water management practices, all while adhering to water allocations mandated by canal companies.

### August Water Restrictions:

Homes utilizing culinary (city) water for lawn watering are required to abide by the 3 days per week watering schedule as follows:

**ODD ADDRESSES: Mondays, Wednesdays, Fridays**

**EVEN ADDRESSES: Tuesdays, Thursdays, Saturdays**

**No watering allowed on Sundays**

Properties that have access to culinary (city) water and secondary (canal) water for lawn watering are required to use **secondary water ONLY**. Secondary water users will receive their schedule via their canal companies.

### Flip the Strip:

As part of our water conservation strategy, North Logan will be implementing incentives to swap out the grass in your park strip and replace it with waterwise landscaping. Water utility bill credits will be available for participants. Please watch the city's website at [northlogancity.org](http://northlogancity.org) and social media for details in the coming months. Initially, this will be for commercial only, with residential to follow later.

### 2022 Consumer Confidence Report:

We are committed to ensuring the cleanest and safest water available. The Consumer Confidence Report for 2022 is now available. It can be found at [northlogancity.org/consumer-confidence-report/](http://northlogancity.org/consumer-confidence-report/)

## BMX TRACK at ELK RIDGE PARK

North Logan is having issues with people using motorized vehicles on the BMX track at Elk Ridge Park. This will not only destroy the track; but the damage caused also makes it extremely unsafe for the riders of all ages who enjoy using this awesome feature, which we have made free to the citizens. If you could consider the following information, for the safety and enjoyment for all, we would greatly appreciate it. We want to ensure that the track will remain, and continue to be something that all can enjoy!

- BMX tracks are designed specifically for non-motorized bicycles only, and allowing motorized vehicles can cause damage to the track surface, which can make it unsafe for riders, and compromises the integrity of the track, and the sport.
- Only non-motorized pedal bicycles are permitted on the track, along with Class I E-Bikes.
- Track Preservation: BMX tracks are typically made of clay or dirt surfaces, which can become easily damaged when wet. Riding on a damp track can lead to ruts, erosion, and uneven surfaces, making it unsafe and less enjoyable for riders. Closing the track during the rain helps to preserve its integrity and prolong its lifespan.

We appreciate your support and cooperation!
