

**MAYOR'S MESSAGE**

I love July in North Logan – summer is in full swing and we get to celebrate two of my favorite holidays: Independence Day and Pioneer Day. When I think of the women and men we honor on these holidays, the two words that come to mind are service and sacrifice. Our country's founders sacrificed significantly to establish this great nation with the freedoms and liberties we still enjoy to this day, and without exception were models of service to others throughout their lives. The pioneers who settled this valley did so at extraordinary personal sacrifice and only survived through selfless, caring service to each other and to all in need.

As we celebrate these two holidays, may we all take a moment to reflect individually on the sacrifices we can make for the benefit of our community and the service we can provide to those around us. Just like in the times of our nation's birth and the pioneers' settlement of Utah, it is individuals who are willing to sacrifice and serve that make all the difference in our society, and can be a profound influence for good with long-lasting, positive impact.

The beauty of living in North Logan is that you don't have to look far to find people who actively demonstrate these ideals we celebrate. So many of our citizens sacrifice and serve day after day, year after year. It is a privilege to live and serve beside you all. Happy Independence Day and Pioneer Day!

-Councilman Kenny Reese

**GOVERNMENT MEETINGS** (Agendas: [pmn.utah.gov](http://pmn.utah.gov))

**The one City Council meeting in July will take place on Wednesday, July 17<sup>th</sup> at 6:30 p.m. in the Council Chambers of the new North Logan City offices**, at 2525 N 600 E. The City Council will hold a public hearing on July 17<sup>th</sup> to receive input on proposed Council of Government (COG) road applications for both 200 East, and a roundabout on 1200 East 3100 North. The City may also consider approving a municipal boundary plat to modify the north boundary of the City.

**The Planning Commission will only meet once in July on Thursday, July 18<sup>th</sup> at 6:30 p.m. in the Council Chambers of the new North Logan City offices**, at 2525 N 600 E. The Planning Commission tentatively plans to hold workshops, public meetings or work session discussions on the following topics: ♦ General Plan Re-Write Project; ♦ text amendment to the city's subdivision ordinance regarding secondary water requirements for new development; and, ♦ text amendments to refine development requirements within geologic hazard areas.

To follow along with progress on the General Plan Rewrite project, or to submit public comments or surveys regarding the plan, please visit the project website: [NLCPLAN.ORG](http://NLCPLAN.ORG)

*If you'd like to receive the agendas via email, please send an email requesting so to [marie@northlogancity.org](mailto:marie@northlogancity.org) to be added to the list.*

**GARBAGE PICK UP** (Cans need to be out by 6 a.m.)

With the recent changes made as Waste Management (WM) determines the best routes, pick-up days for all of North Logan garbage are now on either Thursdays or Fridays depending on where you live, and in some cases, on which side of the street. Recycling is still picked up every other week, and green waste is picked up every week for the green waste pick-up season (Apr. 1-Oct. 31). If you have questions about your specific day, please call us at 435-752-1310 and select Option 1.

**NORTH PARK POLICE**

School is out for the summer and people are enjoying the outdoors in our wonderful community. North Park Police officers are seeing an increase in traffic and speed. Our officers are proactively looking for dangerous violations, such as high speeds, driving under the influence, distracted driving, and, motorists not properly restrained or buckled. Help us have a safe summer by slowing down, buckling up, and, driving safely.

We appreciate the community's support and welcome any questions or concerns. Feel free to reach out to our office at 435-753-7600 or our Contact Form at [www.northparkpolice.org](http://www.northparkpolice.org)

-Kent Goodrich, Chief of Police

**NORTH LOGAN HAS NEW ISO RATING**

After seven years of being rated an ISO Class 5, North Logan's Fire Department Public Protection Classification (ISO Rating) has achieved a Class 2! ISO (Insurance Services Office) analyzes the effectiveness of a fire department's fire suppression capabilities, dispatch system, and water availability/supply. Most insurance companies use this rating in analyzing and assessing your insurance premiums. Departments are rated from 1 to 10, Class 1 being the highest. There is typically a 3-5% change in insurance costs between each class.

***What does this mean for North Logan residents & businesses?***

This improved score *may* reduce your homeowner or business insurance.

***Does the ISO rating automatically change premiums for North Logan residents and business owners?***

No. You must notify your insurance carrier that your ISO rating has improved to a Class 2. The change is effective July 1, 2024, after which all insurance carriers will have access to the rating.

*Congratulations to the Logan City Fire Department, the Cache/Logan Dispatch Center and the North Logan City Water Department for their combined effort to obtain this impressive score!*

**FIREWORKS REGULATIONS**

Outlined below are the regulations for 2024 for the discharge of fireworks, for the following dates, times, and areas:

*Fireworks are never allowed in restricted areas.*

**East Bench Area Restricted**

- \* The discharge of fireworks is restricted in the area east of 1600 East, from the northern city boundary to the southern city boundary.

**What is Allowed:**

- \* Class "C" fireworks may be discharged in unrestricted areas between the hours of 11:00 a.m. until 11:00 p.m., July 2<sup>nd</sup> to July 5<sup>th</sup> (hours are extended to midnight on July 4<sup>th</sup>); and July 22<sup>nd</sup> to July 25<sup>th</sup> (hours are extended to midnight on July 24<sup>th</sup>).
- \* Class "C" fireworks are legally sold from June 24<sup>th</sup> to July 25<sup>th</sup>.

We wish you all a safe and happy July!!

## NORTH LOGAN CITY CITIZEN SPOTLIGHT

≈ WALLACE TAYLOR ≈

Wallace Taylor has lived in North Logan since 1977. He grew up in Wendell, Idaho and was an active participant in local 4-H clubs, band, and sports. Wallace went to college at the University of Idaho studying dairy science, and then served in the Air Force during the Korean War. After the war, he returned to Idaho and married his late wife, Marty. They moved to Iowa for grad school. Wallace was a part of several research projects with his university and the U.S. Department of Agriculture. In one of his projects, over 270,000 cows were involved in monthly testing. Wallace returned to the Mountain West when he was invited to take a job with Utah State University in 1977. He was involved with the dairy record system, the milking systems, and the cattle genetics systems. Wallace and Marty have three children and several grandchildren. He's enjoyed living in North Logan because of his neighbors and the community. Wallace was involved with the Cache Community band and the '50's swing band for years; and enjoys fishing, camping, and hiking.

## NORTH LOGAN YOUTH COUNCIL

We wrapped up another great school year with the North Logan Youth Council! We had our closing activity in May, and thanked the graduating seniors and leadership from last year (Carly Nash, Kyla Cox, Rachel May, Talmage Amando, and Grace Albrecht). Some of the council members were able to help at the North Logan Library's Summer Reading Kick-Off Party in June. It was a fun night! We look forward to helping with the city's 24<sup>th</sup> of July celebrations. We have started taking new applications for this next school year. Please email us at: [nlyouthcouncil@gmail.com](mailto:nlyouthcouncil@gmail.com) if you are interested or have questions. It's a terrific place to be involved!

## GOOGLE FIBER

We are pleased to announce that Google Fiber is coming to town. Installation began in May in the southwest corner of town, and will then expand across the community. This process will take a few years to complete. Please watch the city website at [northlogancity.org](http://northlogancity.org) for future updates.

## COMPLAINTS, CONCERNS, FEEDBACK?

If you go to the city website at [northlogancity.org](http://northlogancity.org) and click on the "I want to" tab, you will be given an option to "Report a Problem." There are quick-forms for work orders for the following departments: General Comment, Facilities, Parks, Streets, & Utilities. These forms are a great opportunity to report a concern/work order for the city staff to fix!

Note that you can also find all of our newsletters online at: [northlogancity.org/newsletter/](http://northlogancity.org/newsletter/)

## STREETS

For the first two weeks of July, we will be operating our street sweeper on 1200 East, 2700 North, sections of 400 East, and 2500 North, in order to clean up excess rock chips that will be a byproduct of our chip seal project taking place on the last week of June. We plan to clean up this debris as quickly as possible; however, you are urged to travel slowly on these roads in order to prevent chipped windshields, vehicles sliding, etc. Please give our street sweeper plenty of room to ensure that you and our workers can remain safe. We appreciate your cooperation with our efforts to provide the best streets possible for our citizens in North Logan.

Our Streets Department will also be continuing working on asphalt repairs on the city roads. We have several areas around the city that require attention, and we will be working throughout town as quickly as possible. If citizens notice any pot holes, sink holes, etc. please let us know by filing out a work order on our website at [northlogancity.org](http://northlogancity.org), or by calling the city office at (435)752-1310.

We will also be touching up all paint marking such as crosswalks, stop bars, etc. in the city. This is a time-consuming process, where our crews will need to cone off sections of the road to paint. These cones will remain in place until the paint has dried enough to allow traffic to drive on it. Please be mindful and respectful to these areas while they dry; both in respect to our workers, and to prevent paint from getting on your vehicles.

## STORMWATER

With the warm weather we wanted to remind everyone of a few things:

1. Canals are storm ways too. Please do not dump anything in the canals, in order to help keep water flowing through them.
2. Dispose of waste in proper containers and areas to help keep pollutants from entering our system. Dirt and grass clippings count as pollutants!
3. Contain all oils from any engine work in drip pans and contain car wash water as much as possible
4. If you received an email from the city about inspecting a pond, please do so and submit the filled-out report.

Thanks for all you do to help keep our city clean!

## CONSTRUCTION UPDATES

For updates on the Community Center and other city construction projects, please go to the following link for our city website for more info: <http://northlogancity.org/construction-projects/>

## PARKS

**Pets:** North Logan City requires all pets to be leashed when off the owner's property, including in city parks. Pets are not allowed on sports fields, courts, or artificial turf fields. Pet owners must clean up after their pets immediately. Animal Control monitors parks for compliance to ensure a clean and safe environment for all.

**Splash Pads:** The Splash Pad at Elk Ridge Park is currently running (operating hours vary). The Meadow View Park Splash Pad is running intermittently as they work on improving it, therefore regular hours are yet to be determined. When the hours are set, we will post them on our city websites. We appreciate your patience and wish you all a safe and happy summer!

## PARK RESERVATIONS

Reservations are now open for all of North Logan City Parks. To reserve a pavilion, go to the North Logan City's website at [northlogancity.org](http://northlogancity.org). Under "I want to," click on "Reserve" and then "Park/Facility." This will allow you to view a calendar and see when things are available to rent. Pavilions are \$25 for residents and \$35 for non-residents. Any and all organized groups must reserve areas before using them, or be subject to being asked to leave. For all field reservations, please call Mary at the city office at 435-755-1310 ext. 120. Field rentals are \$10/hour per field.

## MAYOR'S FAQ

We're getting down to the nuts and bolts of our General Plan revision and have been delighted at the amount of input we've received in person and online. It's not too late to add your voice!

### **How can I participate in the general plan process?**

- \* **Sign Up:** Register with the City's email system to receive timely updates and announcements, including invitations to public input events and status updates.
- \* **Subscribe:** Follow North Logan on social media platforms to stay connected and engaged.
- \* **Attend** open house meetings to give your input in person.
- \* **Go online** to submit your comments at <https://nlcplan.org/>

### **When will the plan be completed?**

We hope to have a draft plan sometime this fall. We will then be revising that draft as necessary. Finally, we will adopt the plan and implement corresponding code changes.

### **Does my input really matter?**

Yes! Our consultants have been so impressed at how engaged North Logan has been in this process. They listen to each and every comment!

## JULY WATER RESTRICTIONS

Water Restrictions will remain in effect this summer. Water restrictions help tremendously in enabling us to meet the growing demand for water during the summer months. Water restrictions also help to promote water conservation by encouraging residents and business owners to be more mindful of their culinary water usage.

When you must water, please abide by the address watering schedule below:

### **July's Water Restrictions:**

Homes utilizing culinary (city) water for lawn watering are required to abide by the 3-days-per-week watering schedule as follows:

#### **ODD ADDRESSES:**

Mondays, Wednesdays, Fridays

#### **EVEN ADDRESSES:**

Tuesdays, Thursdays, Saturdays

#### **No watering allowed on Sundays.**

Properties that have access to culinary (city) water *and* secondary (canal) water for lawn watering, are **required** to use **secondary (canal) water ONLY**. Secondary water users will receive their schedule via their canal companies.

### **Landscaping Incentive (Flip the Strip Program):**

Are you ready to transition your lawn/yard and/or park strip into a water efficient landscape? GOOD NEWS! The Utah Division of Water Resources has recently approved North Logan City residents to participate in their landscape conversion incentive programs. Commonly referred to as "Flip the Strip," you can now receive a reimbursement for a portion of expenses incurred converting your park strip or yard into a water-wise landscape!

Visit: <https://www.utahwatersavers.com/division-of-water-resources-landscape-incentive-program-details> to learn about the steps required to become eligible at your property.

Visit: <http://utahwatersavers.com/>, enter "North Logan City" as your water provider, set up an account, and submit plans for your landscaping conversion!

**Lead Service Line Inventory:** Staff will perform field verifications on unknown and existing lead service lines throughout the summer. Residents affected will be notified. If you have any questions please email: [water@northlogancity.org](mailto:water@northlogancity.org)

**Consumer Confidence Report:** We are committed to ensuring the cleanest and safest water available. The Consumer Confidence Report for 2023 is now available. It can be found at [northlogancity.org/consumer-confidence-report/](http://northlogancity.org/consumer-confidence-report/)

## SEWER

Residents, please remember, the only item allowed to go into the city's Sanitary Sewer System aside from natural waste is toilet paper! Please **DO NOT** flush items such as wipes ("flushable" ones actually *do not* break down in the sewer system), feminine hygiene products, cleaning wipes, paper towels, trash, cloth of any kind, toys, diapers, Q-tips, grease, medications, etc. Please dispose of these products properly in solid waste/trash bins.
