

MAYOR'S MESSAGE

After all of the fun and hustle of October, I am grateful for the chance in November to pause and be grateful.

If I were to write a thank you note to North Logan City, I would start by thanking our First Responders who work tirelessly to keep our community safe, and rarely see anyone on their best day.

I would thank our Utility and Street Departments for maintaining and improving our streets, improving our systems, and trying to utilize every penny of tax payer money, responsibly.

I would thank our Library, Parks, and Recreation Departments for providing safe places and activities for community members of all ages.

I would thank the City Office Staff for responding quickly to questions and concerns, and advocating for North Logan in all things.

I would thank the Planning Commission and fellow City Council members for being the voice of the people as we try to make a plan for the future.

And most importantly, I would thank the community of North Logan. A community's character is made by its citizens, and I believe North Logan has the best citizens. Thank you to all of the community members who look to the future; who want the best for North Logan; and, who show up for each other. You are the reason I am so grateful to call North Logan home.

-City Council Member Emily Schmidt

GOVERNMENT MEETINGS (Agendas: pmn.utah.gov)

The City Council meetings in November will take place on Wednesdays, Nov. 6th & 20th, at 6:30 p.m., in the City Council Chambers at the North Logan City offices (2525 N 600 E). In November, the City Council will be considering the release of the warranty bond for Westview Subdivision. They will also consider approval of the parameters resolution for the DEQ Sewer Trunkline Bond. The annual North Logan Audit report will take place, and there will be a consideration of the boundary adjustment plat between North Logan and Hyde Park related to the Linden Lane Subdivision.

The Planning Commission meetings in November will take place on Thursdays, Nov. 7th & 21st at 6:30 p.m., in the Council Chambers at the North Logan City offices (2525 N 600 E). The Planning Commission tentatively plans to hold workshops, public meetings, or work session discussions on the following topics:

- ◆Text amendments to refine development requirements within geologic hazard areas;
- ◆Review of draft General Plan chapters and content;
- ◆Review of a conditional use permit request to operate a short-term rental at 2887 Daines Way; and,
- ◆Review of a City Center Development Plan for a 55+ single-family subdivision located at ~ 300E 2400N.

General Plan Re-Write Progress: To follow along with progress on the General Plan Rewrite project, or to submit public comments or surveys regarding the plan, please visit the project website: NLCPLAN.ORG

GARBAGE PICK UP (Cans need to be out by 6 a.m.)

Pick-up days for all North Logan garbage services are on either Thursdays or Fridays depending on your area. Recycling is still picked up every other week, and green waste is picked up every week during the green waste pick-up season (Apr. 1-Oct. 31). Also, for **holidays**, if your service day falls during the week of an observed holiday, your service that week *may* be delayed by one day, but you should still put your cans out on your regular day (also note that WM may pick up on Saturday if your service is delayed a day). If you have questions about your specific regular pick-up day, please call us at 435-752-1310 and select Option 1.

NORTH PARK POLICE

This is an exciting time of the year as we turn our attention to family get-togethers and to celebrate the season. North Park Police Department is pleased to host the **“Shop with a Cop”** event again this year. We want to help as many kids as possible, and we appreciate those who have donated so far to the cause. If you would like to donate, please scan the QR code here, or call the Police Department at 435-753-7600.

Many of us will shop for gifts online as the holidays get closer. To that end, I would like to offer some suggestions to help you

keep your packages and orders safe. A lockbox on your porch, or a lockbox at the post office, are terrific ways to keep your packages secure and out of sight. Track your packages. Delays happen, and if you have a tracking number, you can see if the package is still in transit. If your package shows delivered but you do not have it, check with your neighbors. Oftentimes, packages are delivered to the wrong address, or a neighbor innocently takes it home with their mail. If you still cannot find the package, contact the seller and file a claim. If the retailer will not assist you, then consider filing a claim with the shipping company. These simple steps will help reduce your stress level.

If you have any questions or need help, please contact the North Park Police Department at 435-753-7600 or visit our website at www.nppdut.gov

PARKS & RECREATION - Cont'd

Silent Santa:** This Christmas season, we will be having our 6th Silent Santa event on Sat., December 14th. This will be an opportunity for all children with disabilities to come and get some extra time with Santa Claus. This will be a one-family-at-a-time scheduled visit. No waiting in line, and no rush to visit Santa Claus!

Letters to Santa:** Santa wants to hear what the children of North Logan wish for this Christmas! Santa will make sure to get a letter back to each child, so be sure to include their mailing address on their letter to Santa! There will be mail boxes for their letters at the North Logan Library, HSC, and the City Office starting Monday, November 18th. Make sure all letters are in by Saturday, December 7th!

Holiday Lighting Contest:** What's your level of Christmas spirit? Show it on the outside by decorating your house in lights and decorations! Or nominate someone worthy of 1st, 2nd, or 3rd place! The rules are as follows:

- All lighting displays need to be completed by the resident and not by a professional lighting company to be considered in the contest.
- You must be a North Logan resident.

Holiday Break Activities**:

Green Canyon Grooming: Watch future newsletters for details regarding grooming of Green Canyon for Cross Country Skiing. This program is a joint effort between Nordic United, the US Forest Service, and North Logan City.

NORTH LOGAN YOUTH COUNCIL

Participating in the Pumpkin Walk is one of the NLYC's favorite things to do each year. It is magical! This year we did a scene from "The Wild Robot." We used a quote from the book that says: "I'll tell you what: If I could do it all over again, I'd spend more time helping others." Thank you to all who made it happen. We are grateful for so many who serve tirelessly in our community.

In November, we are doing our annual "Sweet Cereal" drive for the Little Lambs Christmas Foster Family Night. We would love any donations. Cereal can be dropped off at the North Logan Library. Thank you for supporting us and Little Lambs!

FALL CLEAN-UP DAY GREEN WASTE

On Saturday, November 16th, North Logan City will provide several dumpsters for green waste in the north parking lot of Elk Ridge Park, from 8:00 a.m. to 3:00 p.m., or until the bins are full. This service will be for North Logan City residents only (not for commercial or non-resident use), and will be free of charge for that day.

SENIOR LUNCHEON

The November Senior luncheon will be on Mon., November 4th, from 11:00 a.m. thru 2:00 p.m. The luncheon takes place at Chuck-A-Rama, on 138 S. Main Street, in Logan. As Chuck-A-Rama has increased prices by \$2, the cost for the senior lunch is now \$7 per person and is only for current North Logan residents who are 60 years old or older. No need to RSVP. But, please note that the hours to receive the North Logan Resident discount are between 11:00 a.m. thru 2:00 p.m. Outside of those hours, you will be required to pay full price (which is now \$13.75). Don't forget to also bring your North Logan Library card to get the reduced rate!

The December Senior Luncheon will take place on Monday, Dec. 2nd at 11:00 a.m.

Please also check the North Logan Recreation website for information regarding senior citizen programs at: northloganrec.org - as well as info located in this newsletter for senior citizen programs at the North Logan Library.

DUP - RALPH SMITH CAMP

Daughters of Utah Pioneers meet monthly. Text Becky at (435) 760-4343 for more info on time and location.

STREETS

For the month of November, our crew will continue to crack seal the roads, as long as weather permits. We do not plan to have many road closures with this project, and those we do have should last no longer than a couple of hours. Please avoid driving on freshly applied crack seal as it needs time to cure before traffic is reintroduced to those sections.

Beginning November 1st and ending March 31st the Winter Parking Ordinance (11-604) is in effect. This means vehicles/trailers/RV's, etc., **cannot be parked** on city streets, curbs, and shoulders between **12:00 a.m. thru 6:00 a.m. on any given day**. Please let your family and friends know, as citations will be issued during these hours. Do not put your garbage/recycling out the night before if it looks like there will be snow during the night. During other hours, if it is snowing, or beginning to snow, we would appreciate you not parking on the streets, so that our snow plows can keep your roads clean and safe for you and your family.

Also, when clearing the snow from your driveways, please remember **it is against the law** to push or blow it into the street, as it is a danger to drivers and plowers! Please also be sure to clean the snow from the sidewalks in front of your home for the safety of the elderly, people in wheelchairs, exercisers, and children trying to pass on their way to school. We appreciate your cooperation!

STORMWATER

With us being heavy into the fall season, here are a few reminders about fallen leaves:

1. Please keep leaves from your property, on your property as much as possible.
2. City workers will run our street sweeper as much as possible to keep up with leaves. However, it is a large city with only one truck. We cannot be everywhere at once. Keeping the gutter clean in front of your house, and especially storm drains clear, greatly helps city crews.
3. There is always a chance of precipitation at this time. To help drain rain, sleet, or melting snow properly, please keep leaves from piling in the gutter.

November also means a chance for snow. Remember to keep piled snow out of the gutter and off the street. Also, avoid using too much ice melt, which is a source of water pollutants when used in excess.

Thanks for your help in keeping our city and water clean.

GOOGLE FIBER

Google Fiber installation will be ongoing throughout the fall and winter. Homeowners with secondary water lines on their property should keep an eye out for any issues. With water off for the winter, it will be difficult to notice any secondary water lines being hit during the Google Fiber installation process. Please keep an eye out for any issues!

MAYOR'S FAQ

In early 2022, Logan City announced that they would no longer be offering garbage, green waste, or recycling pick-up. Since that time, North Logan City has joined the Cache Waste Consortium (CWC) in contracting with Waste Management to provide garbage hauling services for our area.

1. *When will be the last day green waste bins will be picked up this year?*

On Friday, November 1st.

2. *Will we ever get the green waste dumpsters back in Elk Ridge Park?*

The dumpsters will only be available for designated green waste clean-up days, and only once or twice a year. **The fall clean-up day this year will be on Saturday, November 16, 2025, from 8 a.m. until 3 p.m. -- or until the bins are full, at the north end of Elk Ridge Park.**

3. *I hear Logan City will start charging for green waste drop-off at the Logan Landfill after the first of the year. Is there anything North Logan City can do about this?*

The short answer is no. Logan City sets their own rates. We anticipate that Logan will be charging \$10 per load, for car or regular truck loads, beginning January 1, 2025.

EMERGENCY DOOR HANGER PROGRAM

North Logan City will be providing Emergency Door Hangers for its residents to place on their door or window in the event of a catastrophic disaster. Posting a "Red/Green" Emergency Door Hanger will create visibility in our neighborhoods and aid Community Emergency Responders. Please place it in a secure location. In the event of a catastrophic disaster, please complete the following:

- 1) Verify the needs of your household
- 2) Hang the "RED" side, facing the road, if you require medical attention or assistance.
- 3) Hang the "GREEN" side, facing the road, if all is well in your household.

SEWER

North Logan City sewer rates are based on a six month average winter WATER usage (November – April). This is done to ensure that the average water usage does not include culinary water used outdoors in the summer. Your Winter Average is recalculated each year in June, so using less water during winter months by turning off your sprinkler system and watching for leaks, can help you save money on your utility bill all year.

For more information, please see our website at northlogan.municipalcodeonline.com/ and go to Master Fee Schedule.

WATER

With colder temperatures still to come, you can have your irrigation systems winterized in November, if you haven't already. Be sure to have your irrigation lines blown out to avoid any breaks. Culinary irrigation systems should have their backflow assembly removed for the winter, or insulated. A broken backflow assembly could potentially put North Logan's water system at risk of contamination. Protecting your home's backflow assembly helps North Logan keep the drinking water protected. Do your part to keep our water safe!

WATER METER LIDS

We want to remind our residents to please be mindful and careful of the North Logan City water meter lids on your property. No one is allowed to open these lids or tamper with them in any way (including homeowners, contractors, utility workers, etc.) *except* for official North Logan City staff. If you are confronted with any issues regarding these, please contact the City offices at (435)752-1310, and you will be directed to the appropriate staff member who will be happy to assist you. These meter lids have very sensitive antennas that can be easily broken or damaged. This not only interferes with the signal that gives the city the correct read from the meters with which to charge homeowners for their culinary water use; but when damaged, city staff has to go in and replace these components, which is not an easy, nor inexpensive task. Please keep in mind that any damages done to the meters or antennas which results in replacement, will be done so at the homeowners' expense. Please also make sure that these meter lids on your property remain clear of obstructions such as overgrown grass, vegetation, bark or other landscaping, vehicles, lawn decorations, etc. These obstructions not only interfere with the signal used to obtain correct reads; the city also needs access for emergencies, as well as for maintenance. We greatly appreciate your cooperation.

COMPLAINTS, CONCERNS, FEEDBACK?

If you go to the city website at northlogancity.org and click on the "I want to" tab, you will be given an option to "Report a Problem." There are quick-forms for work orders for the following departments: General Comment, Facilities, Parks, Streets, Utilities, and Code Enforcement. These forms are a great opportunity to report a concern/work order for the City staff to fix!
