

MAYOR'S MESSAGE

February is the month of love, and as we decorate with hearts, flowers, and Valentine's boxes, let's also take a moment to share our love and appreciation with those who work tirelessly behind the scenes to make our city thrive.

This is the perfect time to send a love letter—literally or figuratively—to the incredible people who serve our community. You could take a moment to thank Mae and Rose, the friendly faces you see at the city offices who greet you with a smile every time you walk in. Or maybe drop a note to our amazing Recreation staff, the unsung heroes who spend countless hours refereeing games (and sometimes parents) coordinating events, and making sure programs run smoothly. We all love our Parks Department who use this cold season to do prep work behind the scenes, finding grants, and preparing for another busy summer.

Let's not forget the dedicated workers in our Streets Department who clear our roads, handle snowstorms, and keep us safe during winter weather. Our Administrative staff deserves a huge shout-out too—they keep our budgets balanced, our plans moving forward, our public relations polished, our businesses licensed, our expenses paid, and our human resources moving along seamlessly.

And, of course, let's send a heartfelt thank you to the men and women who keep us safe every day—our North Park Police, the Logan Fire Department, and our Library staff who bring our community together and keep us stocked with books, knowledge, and programs.

Behind every project, from trails to planning, our citizen volunteers and city leaders are working hard too. Whether they're serving on the planning commission, city council, library board, or any of our many advisory committees, these individuals are helping shape the future of North Logan.

The options are endless when it comes to showing gratitude, and a simple thank you can go a long way in brightening someone's day. So, as we celebrate this month of love, let's make sure to spread some appreciation to the people who help make North Logan truly the "best place to call home."

*With love,
~ Mayor Peterson*

LCPL MICHAEL J. ALLRED SCHOLARSHIPS

The LCPL Michael J. Allred Scholarship Foundation is pleased to announce the awarding of two \$1000.00 scholarships for the 2025-2026 school year. Recipients must be attending Utah State University as a full-time student.

Scholarship applications are due April 1, 2025.

Applications can be obtained by sending a request to: MJAllredScholarship@gmail.com

**GARBAGE PICK UP** (Cans need to be out by 6 a.m.)

Pick-up days for all North Logan garbage services are on either Thursdays or Fridays depending on your area. Recycling is still picked up every other week (starting with the first week in January for 2025, and then every other week); and green waste is picked up every week during the green waste pick-up season (April 1 thru October 31). For **holidays**, if your service day falls during the week of an observed holiday, your service that week *may* be delayed by one day, but you should still put your cans out on your regular day (also note that Waste Management may pick up on Sat. if your service is delayed a day). If you have questions about your specific regular pick-up day, please call us at 435-752-1310 x 1.

NORTH PARK POLICE

With the new year starting, I wanted to take a moment and provide some insight into the great work our police officers have done this past year. In 2024, the North Park Police Agency handled 5,874 calls for service. A call for service is generated when a citizen calls Dispatch and requests an officer's assistance, reports an unsafe driver, or reports an emergency. Calls for service are also generated by our Investigations Division when they get reports of abuse/theft/extortion, etc. In 2024, the agency handled 154 more calls for service than in 2023.

I have received many compliments from citizens regarding how often they have seen NPPD officers on traffic stops throughout the community. In 2024, our officers logged 3,780 traffic stops, an increase of 1,420 more than in 2023. Historically, each stop takes approximately 15 minutes. That equates to an additional 355 more hours our officers were able to dedicate to traffic enforcement this year compared to last year. The added presence throughout the community has slowed down motorists, made our crosswalks safer, and helped improve the quality of life we enjoy. I am pleased to report that North Park Police officers investigated 38 drivers suspected of driving under the influence, an increase of 17 more than in 2023, and helped to mitigate that danger to the community. Our officers have made a concerted effort to be seen in the school zones in the morning, and have taken time to consistently walk through and get to know the elementary kids in our schools. Our detectives have presented numerous training courses on fraud prevention, and how parents can help mitigate the threat of sextortion to our children. It has been a very busy year indeed.

If there are questions or concerns that we can answer, please feel free to contact our office at 435-753-7600. Our office is open during normal business hours M-F 8:30 a.m. to 4:30 p.m. We appreciate the many outpourings of support from the community, and look forward to serving this year.

~ Kent Goodrich, Chief of Police

GOVERNMENT MEETINGS (Agendas: pmn.utah.gov)

The City Council will meet on Wednesdays, February 5th & 19th at 6:30 p.m. in the Council Chambers of the North Logan City offices.

In February, the City Council will be considering updates to the City's Water Conservation Plan, and Design Standards Technical Manual (DSTM). NORTH LOGAN LIBRARY

February Library Events

For more info or to sign up for events go to:

www.northloganlibrary.org/events

The library will be closed on Mon., Feb. 17th

In observance of President's Day

We're excited to see the progress being made on the library's construction! Throughout this process, you'll notice several changes, including the closure of the meeting room, a new location for story time, ongoing programs within the library, and the relocation of bookshelves. We truly appreciate your patience as we navigate this transition. Additional changes will continue over time until construction is complete. Our staff and I are always happy to answer any questions you may have.

~ Trent Bateman, NL Library Director

Library Fundraising Event: Jane Austen Dinner & Ball (15 & older): Lords and Ladies of near and far, we are delighted to share with you our plans for our third annual Regency Ball! On the evening of Sat., February 22nd, we will enjoy a night filled with fabulous festivities, including a delectable dinner, a book signing, and Regency-era dancing. Most prominently, we will have the pleasure of hearing from Arlem Hawks, author of *Georgiana's Secret*, *Beyond the Lavender Fields*, and *Letter for Phoebe*, as our keynote speaker, along with many others. For those wishing to attend, we extend an optional invitation to come in Regency-era attire to enhance the immersion of your experience; but such is not required to have a positively delightful experience at the Regency Ball this coming February. You can purchase tickets at: <https://www.northloganrec.org/janeausten>

Library Prize Drawing: We are collecting a suggested donation of \$5 per ticket to be entered into a drawing to win prizes from local businesses. All donations will help support the purchase of new furniture, book cases, and makerspace items that we can use in the new community center and library. Find more details on our website at: www.northloganlibrary.gov. Tickets will be available through February 22nd. Thank you for your support!

Craft Supply Drive: During the month of February, we will have a table outside the main entrance of the library where you can donate craft supplies you are no longer using and want to send to a new home. We will accept gently-used and in-good-condition supplies. This will allow community members to share what they have with others and keep on crafting. Thank you for your donations!

Chess and Checkers Club (All Ages): Come play with us every Tuesday from 4:00 to 6:00 p.m. We have a wonderful volunteer who will be there to help teach others how to play if needed. This program is for all ages.

Story Time is every Tue. and Fri. at 10:10 a.m. for Toddlers, and 11:00 a.m. for all ages. Our Yoga Story Time is every 4th Tue. of the month.

Kids Craft: We'll be making butterflies. The activity is Mon., Feb. 10th from 4:30-5:30 p.m. This program is for ages 1 - 11 and is held every 2nd Mon. of the month unless there is a holiday. All supplies are included. Sign-up is required.

STREETS

We ask you to please keep in mind that when snow is forecast, it is helpful when our citizens remove vehicles, trailers, garbage cans, etc. from the roadway. By doing this, our plow drivers are able to clear the entire road, which helps prevent bottlenecks, as well as damage, to vehicles and property. We appreciate everyone's cooperation during our winter months! Thank you for your support!!

Also, when clearing the snow from your driveways, please remember it is against the law to push or blow it into the street, as it is a danger to drivers and plowers. Please also be sure to clean the snow from the sidewalks in front of your home for the safety of the elderly, people in wheelchairs, and children trying to pass on their way to school. Thank you for your cooperation!

STORMWATER

Here are a few reminders for the winter months:

1. Keep snow on your property. While moving snow, avoid piling it in the gutter or streets.
2. Avoid using too much ice melt. Too much can run down the storm drains and is considered a pollutant.
3. It is a violation to pump any water into the gutters. Water must be kept on your property when possible.

Thanks for all you do to keep our storm drain system clean and functioning

GOOGLE FIBER

Google Fiber continues to work through the winter installing conduit. The southern and southwest portions of town are currently where crews are located. The northeastern portion of town can expect conduit to be installed last. Areas of town that already have conduit installed can expect Google Fiber's opt-in services to be up and running by mid-spring or early summer. If you have any questions, please email:

CITY COUNCIL RECAP

From the Mayor

What happened this week at City Council?

I'll be continuing to do recap and preview videos on my Instagram page (@lyndsaylpeterson), but in the future, I'll be adding a short recap of meetings in the newsletter so you can know what you missed.

- ◆ We approved revisions to the FY2025 budget to adjust for expenses and revenue in our CERT, parade, code enforcement, and other items. There will be more budget adjustments as we approach the end of our fiscal year, and each of those changes will be accompanied by a public hearing.
- ◆ We approved routine updates to the drinking water source protection plan as recommended by Public Works Director, Jordan Oldham.
- ◆ We tabled discussion about edits to the Design Standards Technical Manual, pending engineering drawings.
- ◆ We discussed strategic directives at length; Mark Hancey focused on being involved with state legislation; Joni Kartchner wanted to continue to focus on responsible growth; Kenny Reese, Emily Schmidt, and Buzzy Mullahkhel discussed carrying some of our existing goals across the finish line this year.
- ◆ We heard about a \$400,000 design grant that our Public Works Department worked hard to secure. Those funds will go toward the new water tanks and other water capital improvement projects. Work on those projects will begin in March.

As always, we love to hear from you! Let us know if you have any ideas on goals the council should focus on for 2025.

NLC YOUTH COUNCIL

In January, North Logan and Hype Park Youth Councils combined for a special dinner and leadership training. We had a chance to get to know one another, exchange ideas and brainstorm how both councils can better serve our communities. We were fortunate to have the amazing Utah State Ambassadors do our leadership training and share an inspiring message. It was a terrific way to start the new year! Bill Bradley said, "Leadership is unlocking people's potential to become better." We are grateful for the leaders in our community who motivate us to do this.

(You do not need to be a resident of North Logan to join the North Logan CERT team.)

Place: Basement of the new North Logan City offices located at 2525 N 600 E. The Mass Casualty Capstone Exercise will be at the Logan Firefighter Training Center (Saturday, March 15th only) just east of the Cache County Landfill in Logan.

Cost: There is no fee for the course.

Registration and Questions: Call or text (435) 554-8767 if you have any questions. A background check form must be emailed prior to acceptance of your registration. This course can fill up fast, so please fill out the attached form and submit it via email to NorthLoganCERT@gmail.com ASAP to register and ensure a spot in the course.

NEIGHBORHOOD RAPID ASSESSMENT TRAINING

Neighborhood Rapid Assessment Training is being offered for free, to teach the community how to gather facts, gain situational awareness, and get the information to our local resources for assistance. We are hosting a one-hour training course on Thursday, February 20th, at 7 p.m. Please join your neighbors at 1650 East 2600 North, in the cultural hall. For questions or concerns, please email trenna.john@hotmail.com. We look forward to your joining us to help keep our community better prepared and self-resilient!

COMPLAINTS, CONCERNS, FEEDBACK?

If you go to the city website at: northlogancity.org and click on the "I want to" tab, you will be given an option to "Report a Problem." There are quick-forms for work orders for the following departments: General Comment, Facilities, Parks, Streets, Utilities, and Code Enforcement. These forms are a great opportunity to report a concern/work order for the City staff to fix!

Note that you can also find all of our newsletters online at: northlogancity.gov/newsletter/
