

Waiver of Electronic Site Inspection

I, the undersigned, am aware that under Utah Code Section 19-5-108.3(14) “[a] municipal system shall conduct an oversight inspection through an electronic site inspection.” However, I am voluntarily waiving this electronic site inspection requirement and will submit to on-site, in person inspections for the duration of the project located at:

Project Name: _____

Project Address: _____

UPDES Permit #: _____

I am waiving the electronic site inspection requirement because I find that it is in my best interest to have in person inspections of the project instead of electronic site inspections. By signing this document, I represent that I am duly authorized to waive the electronic site inspection requirement for:
