

COUNCILMAN'S MESSAGE

Along with pollen, housing issues fill the air. Our State Legislature is under intense pressure to build, build, build. Like pollen, historically legislative pressure was seasonal-- but not now. The State is always considering measures outlawing single family housing zones statewide, doubling density in all residential zones, and other density mandates. For me, the biggest issue is preserving home ownership opportunities. If we succumb to pressure to build apartments, we lose home ownership for generations.

The definition of home changes from generation. Family farms transition into family gardens, they evolve into town homes and condominiums with flowerpots and neighborhood parks. Let's not kid ourselves the current price of housing prices so many out of the current market. Large money developers stand ready to drag and drop rental housing projects into our City, effectively outsourcing equity in our housing supply. Take a look at housing along I-15 these days. While the look of home ownership will change, the value in home ownership must be preserved.

A Call to action. North Logan Is currently updating its Land Use Code. We need to hear from you. See <https://nlcplan.org>. The reality remains--we get one shot. This opportunity comes once in a lifetime.

-Councilman Mark Hancey

Garbage Days:

Thursdays & Fridays
(depending on your area)

Recycling is collected every other week. Green waste is collected every week until October.

If your garbage day falls on an observed holiday, your can will be emptied on the next regular day, including Saturdays.

Lawn Water Restrictions for Culinary Users

Water restrictions will be in place this summer for businesses and residences who utilize culinary water for irrigation purposes. Restrictions allow us to meet the growing daily demand responsibly. The watering schedule is currently limited to **3 waterings per week**. Please adhere to the lawn watering schedule:

Odd Addresses: Mondays, Wednesdays, & Fridays ONLY

Even Addresses: Tuesdays, Thursdays, & Saturdays ONLY

NO WATERING ON SUNDAYS

Residences that utilize secondary water (canal water) are prohibited from switching to culinary water for lawn watering for the entire watering season. Please coordinate your watering schedule with your canal company.

Notices & Meetings

Upcoming Meetings

City Council:

June 4th & 18th @ 6:30pm
North Logan City Offices

Topics may include several public hearings to gather input regarding proposed revisions to the current fiscal year budgets and the proposed FY26 budgets. These budget hearings will also include an overview of budget trends.

In June the City Council will consider approving a potential rezone of the property corner of 1800 N 800 E. The Fire Dept. will propose dates and geographic areas for private fireworks in the City in 2025.

Planning Commission:

June 5th & 19th @ 6:30pm
North Logan City Offices

The topics may include:

Review of a Preliminary Plat and Subdivision Improvement Plans for the Village Springs Subdivision, a proposed 55+ single-family subdivision, on Parcel ID: 04-060-0027 (~ 2300 N Wolf Pack Way).

Review of a Preliminary Plat and Subdivision Improvement Plans for the East Haven Subdivision, a proposed 36-lot single family subdivision on Parcel IDs: 04-051-0023, 0024, & 0030 (~ 2580 N 1200 E).

Review of draft code amendments intended to implement the goals and policies of the 2025 General Plan.

Review of a draft Form-Based Code ordinance intended to implement the goals and policies of the 2025 City Center Master Plan.

North Logan City 2025 Municipal Election

North Logan City will hold its 2025 Municipal Election to elect a Mayor and two Council Members. Mayor and Council Members serve four-year terms and are elected at large.

Dates to know:

- * Candidate Filing period: June 2-6, 2025
- * Primary Election: Tuesday, August 12, 2025 (if necessary)
- * General Election: Tuesday, November 4, 2025

Those interested in filing for one of these offices must: Be a U.S Citizen at the time of filing; Be a registered voter of North Logan City, Be at least 18 years old; Be a resident of North Logan City for at least 365 days immediately preceding the date of the General Election (November 2, 2025); and not be a convicted felon.

Candidate Filing Period is from 8:00 a.m. on Monday, June 2, 2025 and ends at 5:00 p.m. on Friday, June 6, 2025. Declaration of Candidacy Form or Nomination Petition must be filed in person at the North Logan City Recorder's Office located at 2525 North 600 East, North Logan, UT. There is no filing fee. Candidates are subject to financial disclosure requirements identified in UCA 10-3-208.

Additional election information can be found at: www.northlogancity.gov
-Scott Bennett, City Recorder

Chief's Message

School is out and it's time to enjoy the outdoors. More than ever motorists need to be aware of kids walking on the roadway, riding bicycles, and selling lemon-aid on the corner streets. Please slow down and allow for plenty of room as you pass. With the warm weather, we see kids on E-Bikes riding on the roadways. Many parents are unfamiliar with the laws surrounding E-Bikes and what is permitted. First off, E-Bikes fall into three classes. Since 2017, all electric bikes sold or made in Utah will have a permanently affixed sticker that identifies the class of e-bike it is, its top assist speed, and the wattage of the electric motor.

Class 1 E-Bikes are pedal-assist bikes where the motor only engages when the rider is pedaling and cuts off at 20 mph. They are allowed on most bike lanes and multi-use paths where traditional bicycles are permitted.

Class 2 E-Bikes: These bikes have a throttle-assist motor that can propel the bike without pedaling but ceases to assist at 20 mph. They are also allowed on bike lanes and roads, similar to Class 1 e-bikes.

Class 3 E-Bikes: These are pedal-assist bikes that can assist up to 28 mph when pedaling. Riders must be at least 16 years old to operate a Class 3 e-bike, and they are often restricted from multi-use paths or trails unless permitted by local authorities.

Riders under 16 years old MAY NOT operate Class 3 e-bikes. Those under 14 years old cannot operate any e-bike with the motor engaged on public property unless supervised by a parent or guardian. Helmets are required for riders under 18 years old. Kids who pop wheelies and engage in reckless riding behavior will be cited. Riders are expected to follow the same laws as regular bicyclists. This includes observing speed limits on the public roadways. Utah does not require a driver's license, registration, or insurance for e-bike riders. E-bikes are not allowed on the bike park by Elk Ridge Park, nor are they allowed within city parks and city trails.

If you have any questions, please contact us at 435-753-7600.

-Kent Goodrich, Chief of Police

What's Happening Around Town?

Streets

Crack sealing will be continuing throughout the month. We are focusing our efforts on the areas between 200 E and 800 E. We do not plan to have many road closures. Instead, traffic lanes may be shifted to allow for the regular flow of traffic. Please avoid driving on freshly applied crack-seal as it needs time to cure before traffic is reintroduced.

Winter causes a lot of potholes and other damage to the roads. We will be working in various areas around town removing damaged asphalt and replacing it. This will be an ongoing project throughout the summer. Traffic flow interference will remain low while performing this task, however there may be instances where road closures and detours are required. Please follow all signs and any direction given by our personnel.

A crew will begin repainting crosswalks, stop bars, etc. throughout town. Workers will place cones around a section of road to then paint. While the paint dries, our crew will leave the cones in place and move on to the next area. PLEASE do not drive over these cones and through the wet paint. In most cases there should be plenty of room for traffic to simply shift around these work areas and continue as normal. This is a very difficult task and our workers are placed directly into traffic. Please be alert and courteous to these individuals as they work to improve our city roads.

Code Enforcement

Private sale signs such as signs for garage sales, homemade craft sales, home boutiques or signs for the seasonal sale of agricultural products are permitted subject to the following:

- Such signs shall be limited to a maximum size of six (6) square feet and shall be located on private property at the location of the sales activity.
- Such signs shall not be located within the sight distance triangle. Signs shall not be illuminated.
- Signs at other locations to attract interest to the event may be posted on private property from dawn until dusk only on the day of the sale. Signs shall be removed at night for sales that occur over more than one day.
- The name of the sign owner (or some others person(s) responsible for the sale), their address, and phone number shall be written on the back of the sign.
- Signs shall not be placed on public property or in the public right-of-way.

Stormwater

With the weather warming up, it's time to jump back into the pool! When you start the process of setting your pool up for the season, follow this link for a detailed explanation and examples of the proper way to dispose of old pool water <https://documents.deq.utah.gov/water-quality/fact-sheets/DWQ-2020-016428.pdf>.

Please watch for hazardous materials entering the storm drain. Remember to keep all chemicals, oils, and other hazardous materials contained. If they spill, clean up quickly. Avoid cleaning with water. While working on cars or other motorized equipment, catch-all drained fluids into a catch pan and dispose of them properly. Following these procedures will help to keep harmful pollutants out of the storm drain system. We appreciate your efforts.

We will be sending out letters and inspection forms to all landowners with retention or detention ponds on their property. Please fill out the inspection form and return it to the city. If you receive a letter and would prefer an email in the future, please send back your email and we will make the update.

Youth City Council

On Friday, May 9th the North Logan City Youth Council ran a "Senior Prom" for the residents of Pioneer Valley Lodge with the help of the Green Canyon High School Ambassadors. Residents were able to dance and listen to live jazz music provided by the Green Canyon High School Jazz Band. They had so much fun and we had an amazing time helping out. Thanks to Pioneer Valley Lodge for letting us come!

-Talmage Amado, NLYC Mayor

Mayor's FAQ

I'm seeing a lot of construction going on around the city. What's going on and when will these projects wrap up?

You're right! Our crews are busy on some exciting projects. We've been fortunate to get funding from the federal government, Cache County Council of Governments, and from private donors to make these important projects happen.

2500 N 800 E roundabout: we started work on the roundabout in early May, hoping to complete work before school starts in August. This project is funded by a grant of over **\$1 million from CMAQ**.

600 E (2200 N to 2375 N): we're excited to add connectivity behind Greenville Elementary and Cache Valley Hospital in this important, COG funded project. Construction on the road and adjacent asphalt trail is currently ahead of schedule and should wrap up in early August.

1200 E (2600 N to 2750 N): this master planned road will be an important connection as well. We received COG funding for this project in 2021 and plan to finish construction this fall.

City Community Center: Everyone is wondering what the building next to the new city offices is. We're thrilled to add this gathering place to our city! The building will host a library expansion and will be a place where members of our community can use a stage, large multi-purpose room, several conference rooms, a demonstration kitchen, and library areas for their for various activities and gatherings. The city will also be hosting a myriad of programs that are sure to excite all ages and demographics in our community. **The best part: the community center and new city offices are funded entirely without the city incurring debt for the projects.** We're so grateful for our generous donors, Del Loy Hansen and his family. You can also help make this building spectacular by donating through the North Logan library!

Emergency Preparedness

Utah is a desert, but we still have a lot of vegetation in our wildlands and urban areas. Each year, Utah spends millions of dollars fighting wildfires. Protect your home and family from the possibility of wildfire by practicing simple wildfire safety. Do this to be prepared:

- Make and practice a wildfire evacuation plan with multiple evacuation routes in different directions,
- Keep disaster supply kits updated and ready for quick, easy access,
- Know how to shut off utilities including gas, electric, and water,
- Have a battery-operated radio to receive alerts if power is out,
- Create wildfire defensible space around your home.

Wildfires can happen anywhere, at any time. The good news is that you can take simple steps to stay safe.

- Sign up for emergency phone alerts from your county emergency management. To get registered and receive notifications: register online at: **911.loganutah.gov**. Download the free Everbridge app.
- Have fire extinguishers around your house.
- Keep copies of important documents in a disaster supply kit.
- Ensure your vehicle's fuel tank is at least half full.

Following these tips will better prepare you for any emergencies.

Recreation & Events

Summer Camps

Art Camp

- Learn how to paint and create in different art styles. Ages 7-12

Wizard Camp

- Learn spells, potions, and more from witches and wizards! Ages 8-14

Free Community Events

Touch-a-Truck

June 21st

Explore unique service vehicles; fire trucks, police cars, tractors, garbage trucks, construction vehicles and so much more! At Elk Ridge Park. Food trucks on site. Event open from 10am-1pm.

Movie in the Park

June 24th

Come watch Disney's "Coco"! East of HSC at ~8pm.

Sidewalk Art

June 21st-24th

Create sidewalk art for all to see. East side of HSC.

Community Skate Night

June 27th

Visit the Eccles Ice Center and skate with the community for free 6-8pm. North Logan residents only.

Youth & Family Programs

- **Summer Reading Kick off Party**

Held at Elk Ridge Park from 6:00pm to 8:00pm on June 2nd. Come celebrate the start of Summer with us and sign up for the reading program. We will have food trucks, crafts, games, face painting, balloon artists, treats, a live band with Skylar Cook, and bounce houses to enjoy.

- **Perennial Plant Exchange & Book Sale**

June 14th from 10:30am-12:30pm in the library parking lot. Fill a bag with books for \$5 and bring some new plants home to enjoy! For all ages!

- **Scales and Tails**

June 26th at the Hansen Sports Complex. Bird show starts at 10:30am, reptile show starts at 1:00pm. For all ages!

- **Music Talent Show (Ages 12-17)**

June 17th from 5:00pm- 7:00pm at the Hansen Sports Complex. Seize the Night Records is partnering with us to help with judging and offering free recording sessions to winners. Visit with music artist Skylar Cook.

- **Story Hikes (All Ages)**

Join us on June 11th, June 18th, and June 25th at 10:30am at King Nature Park in Green Canyon for a story, craft, and hike. We will be joined by Found Your Brave, Seize the Night Records, and CAPSA for our June story hikes.

- **Art Day & Story Time with Gracie (All Ages)**

June 4th at 10:30 a.m.

- **Chess & Checkers Club (All Ages)**

Every Tuesday from 4:00pm-6:00pm.

- **Tween Programming (Ages 10-12)**

Jewelry design on June 12th at 2:00pm.

- **Steam Club (Ages 8-11)**

Learn about sound waves with Seize the Night Records on June 23rd & July 28th at 3:30pm. Choose either session. Learn about Space on June 30th and July 14th at 3:30pm.

- **Kids Crafts (Ages 1 to 11)**

Come make a finger puppet and write a story on June 9th at 3:30 p.m.

- **Lego Club (All Ages)**

June 16th at 4:30 p.m. Come use your imaginations in your creations!

Adult Programs

- **Book Club (18+ older)**

Our morning book club is held every second Thursday at 9:00am. Our evening book club is held every fourth Wednesday of the month at 7:00pm. Find the reading list on our website.

- **Fiber Crafts (18+ older)**

Come stitch and share stories. Snacks welcome! The morning session is held every first and third Tuesday from 12:30pm to 2:00pm. The evening session held every second and fourth Thursday from 5:00pm-7:00pm. No sign-up required.

- **Senior Computer Assistance Program**

Do you need help with learning about technology? Book a private 45-minute session with our volunteer, Cameron Whiting.

Monthly Library Resource Spotlight

Preserve your precious memories with North Logan Library's new digitizing technology! Whether you have old VHS tapes, film negatives, slides, or photos, our equipment can help you convert them into digital formats to enjoy and share for years to come. Unsure how to get started? Our knowledgeable staff member is available to assist you every Monday from 2:00 to 7:00 p.m. and Friday from 10:00 a.m. to 3:00 p.m. Bring your memories to life and make the most of this fantastic free resource!

The Library will be closed on June 16th in memory of Juneteenth Day
